Exhibit B
Patent Assignment

Whereas, Bose Corporation, a corporation, existing and organized under the laws of the state of Delaware, having its headquarters at 100 The Mountain Road, Framingham, MA 01701 (hereinafter "Bose") is the sole and exclusive owner of the patent application set forth on Schedule 1 (hereinafter "Assigned Patent"); and

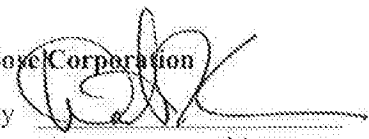

Whereas Children's Health Care d/b/a Children's Minnesota, a nonprofit corporation, existing and organized under the laws of Minnesota, having its headquarters at 2525 Chicago Avenue, Minneapolis, MN 55404 (hereinafter "Recipient") is desirous of acquiring the entire right, title and interest in, to and under the Assigned Patent.

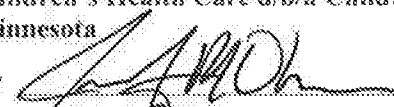

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Bose hereby irrevocably conveys, transfers, assigns and delivers to Recipient, and Recipient hereby acquires and receives from Bose, all right, title and interest in and to (i) the Assigned Patent, (ii) all claims, causes of action and enforcement rights of any kind, and all rights to sue for past, present or future infringement of the Assigned Patent and to collect and retain any and all damages, costs, profits, injunctive relief and other remedies for or relating to any such past, present or future infringement of the Assigned Patent or any and all claims relating thereto, (iii) all rights to collect royalties, license fees or other amounts with respect to the Assigned Patent, and (iv) all rights (but no obligation) to apply for, file, register, maintain, prosecute, extend, renew, enforce, license and otherwise exploit in any or all countries of the world patents, patent applications, certificates of invention, utility models, industrial design protection, design patent protection and other governmental grants or issuances of any kind related to the Assigned Patent (including, without limitation, all reissues, reexaminations, extensions, continuations, continuations in part, continuing prosecution applications, substitutions, requests for continuing examinations, divisions, divisionals, counterparts and other applications, worldwide, based in whole or in part thereon) and any and all of the inventions, invention disclosures, designs and discoveries described or disclosed therein, in each case, without any requirement for Recipient to seek or obtain any consent or other approval from or otherwise inform Bose.

Bose does hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America or equivalent authority elsewhere in the world to issue Letters Patent, as shall be granted based upon any application included in the Assigned Patent (including, without limitation, any divisional, continuing, reissue or other application based in whole or in part thereon), to the Recipient, its successors and assigns.

This assignment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same agreement. Copies of executed counterparts transmitted by facsimile, email or other electronic transmission shall be considered original executed counterparts, provided that receipt of copies of such counterparts is confirmed.

IN WITNESS WHEREOF, THE PARTIES, BY THEIR DULY AUTHORIZED REPRESENTATIVES, HAVE EXECUTED THIS ASSIGNMENT.
