EXHIBIT A
PATENT ASSIGNMENT

WHEREAS, Heraeus Medical Components LLC, a Delaware limited liability company, with a place of business at 5030 Centerville Road, Saint Paul, MN 55127 is the owner of all rights, title, and interests in and to the patent applications and patents shown on the attached Schedule 1 (the “Assigned Patent Rights”); and

WHEREAS, NEXTSENSE, INC., a Delaware corporation (“Assignee”), with a place of business at 3389 Tryna Drive, Mountain View, CA 94040, desires to acquire the entire right, title, and interest in and to the Assigned Patent Rights and all the inventions and discoveries disclosed and/or claimed in the Assigned Patent Rights (the “Inventions”);

NOW THEREFORE, be it known that effective as of February 1, 2023, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers, and sets over unto Assignee (1) the entire right, title, and interest in all countries throughout the world in and to said Assigned Patent Rights and Inventions, including any renewals, revivals, reissues, reexaminations, extensions, continuations, continuations-in-part, and divisions of said Assigned Patent Rights and any substitute applications therefor; (2) the entire right to file patent applications (“New Applications”) in the name of Assignee or its designee on the aforesaid Inventions in all countries of the world; (3) the entire right, title, and interest in and to any patent which issued and may issue on the Inventions in any country, and any renewals, revivals, reissues, reexaminations, and extensions thereof, and any patents of confirmation, registration, and importation of the same; (4) the right to sue and recover for, and the right to profits or damages due or accrued in connection with, any and all past, present, or future infringements of the Assigned Patent Rights and Inventions; and (5) the entire right, title, and interest in all convention and treaty rights of all kinds, including all rights of priority in any country of the world, in and to the above Assigned Patent Rights and Inventions.

AND for the same consideration, said Assignor hereby covenants and agrees to and with said Assignee its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said Assignor is the sole and lawful owner of the entire right, title and interest in and to said Inventions and Assigned Patent Rights, and that the same are unencumbered and that said Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said Assignor hereby covenants and agrees to and with said Assignee, its successors, legal representatives and assigns, that said Assignor will, whenever counsel of said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said Inventions and Assigned Patent Rights in any country, including interference proceedings, is lawful and desirable, or that any application for letters patent, or that any division, continuation or continuation-in-part of any application for letters patent or any reissue or extension of any letters patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of said Inventions and

Execution Copy

Assigned Patent Rights, without charge to said Assignee, its successors, legal representatives and assigns, but at the cost and expense of said Assignee, its successors, legal representatives and assigns.

AND, Assignor hereby authorizes and requests the competent authorities to grant and to issue any and all patents on the Inventions throughout the world to Assignee, its successors, or assigns, whose rights, title, and interests in such patents are the same as would have been held and enjoyed by Assignor had this assignment, sale, and transfer not been made.

IN WITNESS WHEREOF, the Assignor has caused this Patent Assignment to be duly executed by its officer thereunto duly authorized as of the 19th day of August, 2021.
