CONFIRMATION OF PAST ASSIGNMENT AND ASSIGNMENT OF INVENTION**UNIVERSAL**

WHEREAS, the invention entitled Method and system of laser-driven impact acceleration described in PCT Patent Application No. WO 2018/094504 filed on August 22, 2017 which claims priority on US 62/425,924 filed on November 23, 2016 and was nationalized in USA under the number 16/461,686, or a part of said invention, was assigned on October 21, 2015 (hereinafter referred to as the "past assignment") by Jean-Claude Kieffer, whose full address is 3801, rue Melrose, Montréal, Québec, H4A 3S3 Canada (hereinafter referred to as the Assignor) to Institut National de la Recherche Scientifique, whose full address is 490, de la Couronne, Québec, Québec, G1K 9A9 Canada (hereinafter referred to as the Assignee). I/We hereby authorize and request my/our patent agent to insert missing information above and information regarding any additional application covering the same invention when known here in parentheses (Country United States, Application No. 17/303,940, filed June 11, 2021; Country _____, Application No. _____, filed _____); and

WHEREAS the Assignor and the Assignee are desirous of confirming this past assignment;

WHEREAS the Assignor is desirous of assigning and the Assignee is desirous of obtaining any part of said invention not previously assigned.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor has, and by these present do hereby sell, assign and transfer unto said Assignee, its successors and assigns, the Assignor's entire right, title and interest in and to said part of said invention not previously assigned as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application; and in and to any

applications based thereon filed in any foreign country, including the right to file said foreign applications under the provisions of the Patent Cooperation Treaty and under the Paris Convention; also the Assignor's entire right, title and interest in and to any and all patents, reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions and any divisional, continuation, continuation-in-part, substitute application(s) or supplementary disclosure(s) which may be filed upon said invention or inventions, in any country; and the Assignor hereby authorizes and requests the issuing authority to issue any and all patents on said application or applications to said Assignee.

The Assignors further agrees, without any payment by said Assignee other than expenses incurred by the undersigned, to communicate to said Assignee, its representatives or agents, any facts useful as evidence for interference purposes or for other proceedings relating to intellectual property encompassing the invention, whenever requested; testify in any interference, litigation or other proceedings, whenever requested; and execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon the Assignor's heirs, legal representatives, administrators and assigns.

Les soussignés désirent que la présente cession soit rédigée en anglais. The undersigned request that the present assignment be drafted in English.

IN WITNESS WHEREOF, the Assignors and Assignee have hereunto set their hands and seal.
