### ASSIGNMENT

This Assignment is made by **Rick A. Musick** of **Fredericktown, Ohio**, (the Co-assignor), to **UMD Automated Systems, Inc.**, an **Ohio** corporation, having its principal place of business at **9855 Salem Road, Fredericktown, Ohio 43019** (the Assignee). Co-assignor believes that he/she is a joint owner of the above-numbered patent for **TIRE CONVEYOR ASSEMBLY AND COMPONENTS THEREOF** (the Patent), which issued on the above-indicated date. Co-assignor represents and warrants that he/she is the co-owner of the right, title, and interest in and to the Patent, having full right and power to convey his/her entire interest, both legal and equitable, in this Assignment. Co-assignor further represents and warrants that his/her rights transferred in this Assignment are free of lien, encumbrance, or adverse claim.

For valuable consideration, receipt and sufficiency of which are hereby acknowledged, Co-assignor and Assignee agree as follows:

1. Co-assignor does hereby sell, assign, convey, and transfer exclusively to Assignee, its successors, assigns, nominees, or other legal representatives his/her worldwide rights, title, and interest in, to and under said Patent; also his/her entire right, title, and interest in and to any and all reissues or extensions to be obtained in this or any foreign country upon the Patent; and in and to all income, royalties, damages, claims, and payments now or hereafter due or payable with respect thereto; and in and to all causes of action, either in law or in equity, for past, present, or future infringement based on the Patent.
2. Co-assignor further agrees to execute all extension, reissue, and other patent applications in this or any foreign country relating to the Patent and to sign all other lawful papers and to perform all other lawful acts without further consideration, but without expense to Co-assignor, which Assignee may deem necessary or desirable to make this Assignment fully effective, including, by way of example but not of limitation, the following acts:
  - a. prompt execution of all lawful oaths, affidavits, and/or supplemental oaths required or deemed advisable by Assignee; and
  - b. co-operation to the best of Co-assignor's ability in the execution of all lawful documents, the production of evidence, and the giving of testimony in interference, opposition, derivation, review, nullification, examination, re-examination, infringement, or other proceedings involving the Patent.

Co-assignor, intending to be legally bound, has signed this Assignment on the date written by the Co-assignor's signature below. Co-assignor hereby acknowledges that any willful false statement made in this Assignment is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.
