ASSIGNMENT

WHEREAS, we,

Name	Address	
Michael P. Caputo	2707 Rosehall Ln Aurora, IL 60503	; and
Scott E. Woodard	11520 Marquette Drive New Buffalo, MI 49117	;

(hereinafter referred to as ASSIGNORS), having mailing addresses as listed above, are the joint inventors of an invention entitled "Controlling Physical Property Access Using Health Parameters," as described and claimed in U.S. Non-Provisional Application No. 17/890,151 filed August 17, 2022 and entitled "Controlling Physical Property Access Using Health Parameters", which is a continuation-in-part of U.S. Patent Application No. 16/984,982, filed August 4, 2020 and entitled "System And Method For Managing Property Showing Appointments Based On Health Parameters";

WHEREAS,

Corporation Name	Address
MFTB Holdco, Inc.	1301 Second Avenue, Floor 31 Seattle, WA 98101

(hereinafter referred to as ASSIGNEE), a corporation having a place of business at the address listed above, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration that includes at least the sum of ten (10) U.S. Dollars or equivalent consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNORS hereby sell, assign and transfer unto said ASSIGNEE, the entire right, title and interest in and to said invention, said application and any and all letters patent which may be granted for said invention in the United States of America and its territorial possessions including any extensions or adjustments in term thereof and in any and all foreign countries, and in any and all divisions, reissues and continuations

thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, and including the right to sue and collect damages for past and present infringement of said letters patent; said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE, and further hereby authorize and request ASSIGNEE's representative to add the application serial number, when available, to this document in the underlined section on page 1 and in the header. ASSIGNORS agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said invention, for litigation regarding said letters patent, or for the purpose of protecting title to said invention or letters patent therefor.

This Assignment is made effective as of August 17, 2022.
