ASSIGNMENT and CONFIRMATION

I, Kathryn Hess Bellwald ("ASSIGNOR") hereby confirm the sale, assignment, and transfer to INAIT SA. ("INAIT"), a corporation in Switzerland having a place of business at Avenue du Tribunal-Fédéral 34, Lausanne, Switzerland, CH-1015, and its successors and assigns (collectively, "ASSIGNEE") of all of our individual and joint right, title and interest throughout the world in and to any and all inventions and improvements that are the subject of and described in the following patent documents:

Attorney Reference #	Country	Serial #	Filed Date
45137-0009002	United States	18/161,414	January 30, 2023

The foregoing sale, assignment, and transfer occurred by operation of an employment agreement between each of us and our employer. Should any of us have any remaining interest, I hereby sell for 1\$, assign, and transfer any right, title or interest I may have in said inventions and improvements anywhere in the world to ASSIGNEE.

This assignment and confirmation includes the foregoing patent applications and/or patents; all legal equivalents thereof in any country and all patents issuing therefrom; all patents, utility models, and design registrations granted for any of said inventions and improvements throughout the world; the right to claim priority based on the filing date of the foregoing patent application or patent under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes, and the right to pursue, collect, and retain in the Assignee's name or otherwise, damages and any other remedies arising from any past, present, or future infringement of the inventions and improvements, the patent applications and/or patents, and any rights granted thereon. I also authorize ASSIGNEE to apply in all countries for patents, utility models, and design registrations and like rights of exclusion and for inventors' certificates for the assigned inventions and improvements.

The foregoing assignments have been made for good and valuable consideration, the receipt of which is hereby acknowledged, and in accordance with the employment agreements existing at the time said inventions and improvements were made.

I hereby represent and covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into that would conflict with the assignment of said inventions and improvements to ASSIGNEE.

I further covenant for ourselves and our respective heirs, legal representatives and assigns to provide to ASSIGNEE promptly upon the request of ASSIGNEE all pertinent facts and documents relating to said invention and improvements and said patents and legal equivalents as may be known and accessible to us and to testify as to the same in any interference, litigation, or proceeding relating thereto and promptly to execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue or enforce said application, said inventions and improvements and said patents and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

ASSIGNMENT and CONFIRMATION

We, Henry Markram, Felix Schuermann, Kathryn Hess, and Fabien Delalondre ("ASSIGNORS") hereby confirm the sale, assignment, and transfer to INAIT SA. ("INAIT SA"), a company in Switzerland having a place of business at Avenue du Tribunal-Fédéral 34, Lausanne, 1005, SWITZERLAND, and its successors and assigns (collectively, "ASSIGNEE") of all of our individual and joint right, title and interest throughout the world in and to any and all inventions and improvements that are the subject of and described in the following patent documents related to graphene:

Attorney Reference #	Country	Serial #	Filed Date
45137-0009001	United States	16/356,478	March 19, 2019

The foregoing sale, assignment, and transfer occurred by operation of an employment agreement between each of us and our employer. Should any of us have any remaining interest, we hereby sell for 1\$, assign, and transfer any right, title or interest we may have in said inventions and improvements anywhere in the world to ASSIGNEE.

This assignment and confirmation includes the foregoing patent applications and/or patents; all legal equivalents thereof in any country and all patents issuing therefrom; all patents, utility models, and design registrations granted for any of said inventions and improvements throughout the world; the right to claim priority based on the filing date of the foregoing patent application or patent under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes, and the right to pursue, collect, and retain in the Assignee's name or otherwise, damages and any other remedies arising from any past, present, or future infringement of the inventions and improvements, the patent applications and/or patents, and any rights granted thereon. We also authorize ASSIGNEE to apply in all countries for patents, utility models, and design registrations and like rights of exclusion and for inventors' certificates for the assigned inventions and improvements.

The foregoing assignments have been made for good and valuable consideration, the receipt of which is hereby acknowledged, and in accordance with the employment agreements existing at the time said inventions and improvements were made.

We hereby represent and covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into that would conflict with the assignment of said inventions and improvements to ASSIGNEE.

We further covenant for ourselves and our respective heirs, legal representatives and assigns to provide to ASSIGNEE promptly upon the request of ASSIGNEE all pertinent facts and documents relating to said invention and improvements and said patents and legal equivalents as may be known and accessible to us and to testify as to the same in any interference, litigation, or proceeding relating thereto and promptly to execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue or enforce said application, said inventions and improvements and said patents and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

It is to be understood that this Assignment and Confirmation does not change, modify, or otherwise impact any rights arising under the German Employee Inventions Act and/or any prior agreement between the ASSIGNEE and us.
