ASSIGNMENT

WHEREAS, we, Haroon I. Alvi, Charles B. Humphreyson, Richard L. Lackey and Emmitt J. Smith, III, have jointly made an invention entitled, "GAME LIVE AUCTION SYSTEM AND METHOD OF OPERATION," for which an application for United States Letters Patent was filed on September 9, 2013 and assigned Serial No. 14/022,192 (and for which we authorize counsel of record to provide the filing date and serial number);

WHEREAS, we represent and warrant that we are the joint owners of said invention and application for Letters Patent.

WHEREAS, Prova Group, Inc. (hereinafter ASSIGNEE), an organization under the laws of the State of Texas, having its principal office at 14801 Quorum Drive, Suite 220, Dallas, Texas 75254, is desirous of acquiring the same.

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by us, we have assigned, sold, transferred and set over and by these presents do assign, sell, transfer and set over unto said ASSIGNEE the entire right, title and interest in and to (a) said invention and worldwide rights therein; (b) said Applications, including all divisions, continuations and substitutions thereof; and (c) all United States and foreign patents which shall issue on said invention, including all reissues, renewals and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file corresponding applications for Letters Patent on said invention in any and all foreign countries, and to claim priority under any and all treaties and conventions to which the United States of America is signatory including the Paris Convention for the Protection of Industrial Property for such corresponding applications, or any division, continuation or substitution thereof, the same to be held and enjoyed by said ASSIGNEE, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by us, had this assignment not been made.

We jointly and severally covenant and agree that we will, at any time upon the request and at the expense of said ASSIGNEE, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable, in the opinion of said ASSIGNEE, to (a) obtain Letters Patent, both domestic and foreign, on said invention; (b) establish, maintain and secure title in said ASSIGNEE, its assigns and successors, to said invention, application and Letters Patent, including making such title of lawful public record; and (c) defend, establish or otherwise preserve the validity of said Letters Patent against any and all infringers, and perform such other acts as are necessary to give full force and effect to this assignment.

We jointly and severally represent and covenant that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of said invention or Applications has been or will be made or entered into which would conflict with this assignment and sale.

We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any other relevant authorities to issue all Letters Patent based on said Applications and each division, continuation, substitution, reissue, renewal and extension thereof to said ASSIGNEE, its assigns and successors.

Applications and each division, continuation, substitution, reissue, renewal and extension thereof to said ASSIGNEE, its assigns and successors.

Each of the undersigned further declares that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the Applications or any patent issued thereon.

IN TESTIMONY WHEREOF, we have duly executed this assignment on the date as indicated next to our names.
