**DECLARATION FOR ASSIGNMENT IMPROPERLY FILED AND RECORDED BY
ANOTHER PERSON AGAINST AN OWNER'S PATENT**

I, Jerry M. James, Jr., declare to the best of my ability, that I am the inventor and owner of the above-referenced patent, US Patent No. 8,956,532. As described in-depth below, an assignment has been improperly recorded against the above-referenced patent by another party having no rights thereto. The previously recorded assignment on August 1, 2012 recorded at Reel: 028704, Frame: 0504 and subsequent recorded security interest on April 16, 2019 recorded at Reel: 048900, Frame: 0807 were submitted erroneously and are not related to the above-referenced patent.

Indeed, the assignment recorded on Reel: 028704, Frame: 0504 lists Michael Petsche and Alan James Stocker as conveying a Canadian Patent Application to applicant Dart Aerospace Ltd. Neither the conveying or receiving parties listed on this recorded assignment are related to the above-referenced patent, nor do they have any ownership. Moreover, the assigned Canadian Patent Application recited in the assignment has no connection with the above-referenced patent or respective application therefor. Accordingly, the assignment, and subsequent security interest,

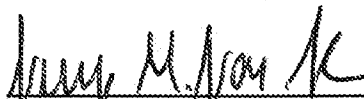

Patent No: 8,956,532

contained erroneous information as it pertained to the above-referenced patent or the application therefor.

Accordingly, the correct owner of the above-referenced patent was and continues to be, me, the inventor, Jerry M. James, Jr. Therefore, chain of title for the above-referenced patent should not be considered altered by either the assignment recorded on Reel: 028704, Frame: 0504 or security interest recorded on Reel: 048900, Frame: 0807. I declare that, to the best of my knowledge and belief, the information herein true and complete. I understand this statement is made for use as evidence in court and is subject to penalty for perjury.

Respectfully submitted,

Date: February 23, 2023

Jerry M. James, Jr.
Inventor
