PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT (this "Assignment") is made and entered into *nunc pro tunc*, effective as of January 9, 2017 ("Effective Date"), by and between **STC Industrial, LLC**, a South Carolina limited liability company (f.k.a. Sumter Transport Company) ("Assignor"), and **The Maitland Company, LLC**, a South Carolina limited liability company ("Assignee").

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in, to and under that United States patent identified and set forth on Schedule A (the "Patent"); and

WHEREAS, Assignee wishes to acquire and Assignor wishes to assign all right, title and interest in and to the Patent.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Assignment. Assignor does hereby sell, assign, transfer and set over to Assignee, the entire right, title and interest in and to the Patent, for the United States and for all foreign countries, including any continuations, divisions, continuations-in-part, reissues, reexaminations, extensions or foreign equivalents thereof, and including the subject matter of all claims which may be obtained therefrom for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made; together with all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Patent, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.
2. Recordation. Assignor hereby requests the U.S. Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Patent.
3. Further Assurances. From and after the Effective Date, Assignor shall execute and deliver such additional documents and take such further actions as Assignee and its successors, assigns and its and their respective legal representatives may request, at their sole cost and expense, to effectuate, evidence or perfect the assignment of the Patent to Assignee or any assignee or successor thereto, including, without limitation, executing all additional documents and taking all further actions required by the U.S. Commissioner of Patents and Trademarks and the corresponding entities or agencies.
