ASSIGNMENT

WHEREAS I, the below named inventor (hereinafter referred to as Assignor) has made an invention entitled:

MONOCLONAL ANTIBODIES AGAINST CARCINOEMBRYONIC ANTIGENS, AND THEIR USES

for which a provisional United States patent application was filed on April 29, 2022 (Application No. 63/336,676); and,

WHEREAS, American Diagnostics & Therapy, LLC (ADxRx), a corporation of Maryland, Montgomery County whose post office address is 13 Taft Court, Suite 205, Rockville, Maryland, 20850 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to this provisional patent application and any subsequent application filed in any jurisdiction throughout the world claiming priority to this provisional application, and in and to any Letters Patent to be issued upon any application claiming priority to this provisional application in any jurisdiction throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention, in all countries throughout the world, and in and to the filed application, any and all applications describing this invention, any and all applications claiming priority to the filed application, including the right to claim priority to the filed application and any subsequent applications, and to any Letters Patent to be issued upon this invention or any application claiming priority to the filed application, including continuations, divisionals, reissues, and the like in any country; and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country.

IN TESTIMONY WHEREOF, I have hereunto set our hands.
