ASSIGNMENT

WHEREAS, **Jeroen C. Beerens** residing at Valkenkakmp 310, 3607LR Maarssen, Netherlands, and **Gregory R. Alcott** residing at Bekkerstraat 154A, 3572 Utrecht, Netherlands, have jointly made an invention as described in a patent application titled **FLUID DOSING SYSTEM** for which we filed **International Patent Application No. PCT/US2020/044090** on **29 July 2020** (Atty. File No. 083258-9250-WO01/DID-1025-WO-01) which claims the benefit of United States Provisional Patent Application No. 62/879,893, filed July 29, 2019, and United States Provisional Patent Application No. 62/978,563, filed February 19, 2020.

WHEREAS, *Diversey Europe Operations BV* having a place of business at *Maarssenbroeksedijk 2, 3542DN Utrecht, NETHERLANDS* ("Assignee") is desirous of acquiring the entire right, title, and interest in and to said invention and in and to any Patent that may be granted therefore;

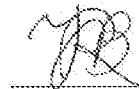

NOW THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, **Jeroen C. Beerens**, and I, **Gregory R. Alcott**, by these presents do sell, assign, and transfer to **Diversey Europe Operations BV** its successors and assigns, my entire right, title, and interest in and to the said invention and the entire right, title, and interest in, to, and under any Patent which may be granted therefore in the United States, in the territorial possessions of the United States, and in any country foreign to the United States, including any and all continuations, continuations-in-part, or divisions thereof, and any and all reissues, reexaminations, or extensions thereof which may be granted, together with the right to claim priority in all foreign countries in accordance with the International Convention (all hereinafter referred to as the "Patents"); all rights corresponding to said Patents in foreign countries throughout the world; and all rights to sue for past, present, or future infringement of said Patents worldwide, together with all claims for damage by reason of such infringement of said Patents, with the right to sue for, and collect the same; all to be held and enjoyed by *Diversey Europe Operations BV* its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

And I do hereby authorize and request the Commissioner of Patents of the United States and the Patent Office officials in countries foreign to the United States to issue said Patent to *Diversey Europe Operations BV* as the assign of my entire right, title, and interest in, to, and under the same, and I hereby further authorize said *Diversey Europe Operations BV* to apply for Patent in my name or in its own name, as it in its sole discretion sees fit, utilizing any benefits which may exist under any International Arrangement, in any country foreign to the United States.

And I do hereby agree for myself and for my heirs, executors, and administrators to execute any lawful document and to testify as to any material fact or thing which Diversey Europe Operations BV its successors and assigns may deem necessary in order to secure unto itself, its successors and assigns the full right, title, and interest in and to and the full enjoyment of said invention or any part thereof and the said Patent or any of them, the same to be done without any further consideration.
