ASSIGNMENT

For valuable consideration, we, Alan W. Smith of 2059 S. Tibbs Avenue, Indianapolis, IN 46241 and Sara Karaffa of 2059 S. Tibbs Avenue, Indianapolis, IN 46241, hereby assign to: Rolls-Royce North American Technologies, Inc., having a place of business at: 2059 S. Tibbs Avenue, Indianapolis, IN 46241, United States of America and its successors and assigns (collectively hereinafter called "the Assignee") the entire right, title and interest throughout the world in the inventions and improvements which are the subject of an application for United States Patent signed by us, entitled EMBEDDED ELECTRIC MACHINE OF GAS TURBINE ENGINE, filed March 7, 2023, and assigned U.S. Serial Number 18/179,651; this assignment including said application, (and do hereby authorize the Assignee and its representative to hereafter add herein such application number(s) and/or filing date(s) when known), any provisional, non-provisional, continuation, continuation-in-part, divisional, reissue, renewal, extension or other application for any of said inventions or improvements, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
