ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned does hereby:

SELL, ASSIGN AND TRANSFER to M.J. Lathern Co., Inc. (the "Assignee"), being incorporated under the laws of the State of Texas, having a place of business at 224 N. Hewitt Dr., Hewitt, TX 76643, the entire right, title, and interest for the United States and all foreign countries in and to: (1) any and all inventions and improvements which are disclosed in the U.S. Provisional Patent Applications No. 62/980,219 and in the non-provisional U.S. Patent Application for United States Letters Patent which is entitled "METAL SQUARING TABLE"; (2) such applications and all divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such inventions and improvements; (3) any and all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such inventions and improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such applications in the United States;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such inventions and improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT, when requested at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such inventions and improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such inventions and improvements and the history thereof; and generally do everything possible which Assignee shall consider desirable for vesting title to such inventions and improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such inventions and improvements;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns, and nominees of the Assignee.
