Ventus Engineering GmbH  
Hainburger Strasse 53/3  
1030 Vienna  
Austria

(Company reg. no. ATU71191658)  
(hereinafter referred to as the Assignee).

This assignment covers all countries of the world and the Assignee is hereby entitled to file applications in any country at its/their discretion and to abstain from seeking patent protection in any and all countries, if they so desire.

This assignment also includes the right to claim priority under the Paris Convention or any other multilateral or bilateral treaties.

The Assignor hereby agrees to execute any additional assignments and other documents required in connection with the prosecution of the patent applications as well as to perform any additional acts necessary to enable the Assignee or its successors, legal representatives and assigns to enjoy the full rights of this assignment including the right to apply for a patent for the invention in the United States of America, and including the right to assign the US patent application and any patent or patents issuing thereon to any Assignee or its successors, legal representatives and assigns.

Finally, I/we hereby declare that I/we believe I/we am/are the original inventor(s) or an original joint inventor of a claimed invention in the application mentioned above.

This declaration is also directed to any international application claiming priority from the above-mentioned European patent application.

I/we hereby declare that the assignee is authorized to file international applications claiming priority from the above-mentioned European patent application.

I/we hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
