WHEREAS, Lubris LLC (hereinafter "ASSIGNEE"), having its principal place of business at 111 Speen Street, Suite 303, Framingham, MA 01701, desires to acquire an interest therein, in accordance with agreements duly entered into with us;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of one dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we confirm that we have sold, assigned, and transferred and by these presents do hereby sell, assign, and transfer unto said ASSIGNEE, its successors, assigns, and legal representatives, our entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to the invention(s) described in said Patent Applications, together with our entire right, title and interest in and to said Patent Applications and such Letters Patent as may issue thereon or claim priority thereto under United States law or international convention, including but not limited to non-provisionals, continuations, divisionals, continuations-in-part, reissues, reexaminations, extensions, and substitutions of said Patent Applications or such Letters Patent and any right, title and interest we may have in U.S. Provisional Patent Application No. 61/908,959 to which said Patent Application claims priority; said invention(s), applications and Letters Patent to be held and enjoyed by said ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by us had this assignment and sale not been made; we hereby convey all of our rights arising under or pursuant to any and all United States laws and international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent, including but not limited to any cause(s) of action and damages accruing prior to this assignment;

AND, We hereby acknowledge that this assignment, being of our entire right, title and interest in and to said invention(s), carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all Letters Patent to ASSIGNEE in its own name as assignee of our entire right, title and interest therein;

AND, We hereby further acknowledge that International Patent Application No. PCT/US2014/067464 was filed by ASSIGNEE with our authorization;

AND, We hereby further acknowledge that the national phase applications of International Patent Application No. PCT/US2014/067464 in Australia, Canada, Europe, India, and Japan were filed by ASSIGNEE with our authorization;

AND, we hereby further agree for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention(s) to said ASSIGNEE, its successors, assigns, and legal representatives, but at its or their expense and charges, including the execution of non-provisional, substitution, continuation, divisional, reissue, reexamination, or corresponding foreign or international patent applications;

AND, we hereby further agree to provide statements or testimony in any interference or other proceeding in which said invention(s) or any application or patent directed thereto may be involved;

AND, we hereby authorize ASSIGNEE or its attorneys or agents to insert the correct serial number and filing date into this assignment, if none is indicated on the date of our execution of this assignment;

AND, we do hereby authorize and request the Director of the United States Patent and Trademark Office and the empowered officials of all other governments to issue such Letters Patent as shall be granted upon said application, or applications based thereon, to said ASSIGNEE, its successors, assigns, or legal representatives.
