**WORLDWIDE ASSIGNMENT TO
L'GARDE, INC.**

PATENT ASSIGNMENT

WHEREAS, We, Nathaniel C. Barnes, a U.S. citizen, whose city of residence is Irvine, California, and Steven C. Widelitz (“**Assignor(s)**”), owns the inventions, including the applications and registrations, identified in Exhibit A herein, attached hereto and incorporated by this reference (hereinafter collectively the “**Patents**” or “**Applications**”);

WHEREAS L'Garde, Inc. a corporation organized and existing under the laws of California, having its principal place of business at 15181 Woodlawn Avenue, Tustin, California 92780, U.S.A., (“**Assignee**”) desires to acquire by formal, recordable assignment the entire right, title and interest in and to the Patents; and

NOW, THEREFORE, for good and valuable consideration, Assignor hereby confirms assignment by the terms contained herein or hereby sells, assigns, transfers, and sets over to Assignee, its successors, assigns and legal representatives, the entire right, title and interest, in and for the United States and all foreign countries, in and to any and all inventions disclosed in the Patents, in and to said Patents, and any and all non-provisional, divisional, continuing, continuation-in-part, substitute, renewal, reissue, re-examination, extensions, certificates, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions or to which the benefits of the priority date of said Patents is or will be claimed; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said inventions or Patents including all rights under the International Convention for the Protection of Industrial Property; and all rights of registration, maintenance, and protection thereof in any form, including all rights of recovery and of legal action for past or future infringements and of interference or derivation proceedings involving such Patents and all rights to income, royalties, damages and payments payable in respect thereto; all of which to be held and enjoyed by Assignee for its own use and the use of its successors, legal representatives and assigns to the full term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor(s), had the assignment not been made;

Assignor(s) agrees that Assignee may apply for and receive Letters Patent in this or any other countries for said inventions in its own name;

Assignor(s) agrees that, at the request of the Assignee and, without charge to but at the expense of said Assignee, Assignor(s) will carry out in good faith the intent and purpose of this Assignment; execute forms and documents for all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said Applications; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which Assignee shall consider desirable for aiding in securing and mainlining proper patent protection

**WORLDWIDE ASSIGNMENT TO
L'GARDE, INC.**

for said inventions and for vesting title to said inventions, and all Applications for patents and all Patents on inventions in said Assignee;

Assignor(s) agrees that in the event Assignor(s) refuses to comply with the provisions of this Assignment and execute any required form or document required or requested by a patent office to prosecute any application or patent assigned or applied for pursuant to the provisions of this agreement, or in the event of Assignor's unavailability due to death, incapacity, or other means, including, without limitation if the Assignor's whereabouts are unknown to Assignee, Assignor hereby grants to Assignee the power of attorney to represent the Assignor before the respective patent office in connection with any and all patent applications assigned or applied for pursuant to the provisions of this Assignment. Assignor hereby grants Assignee the right to execute any required statement or document necessary to affect the intent and purpose of this Assignment.

Covenant with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

AND Assignor(s) hereby request the Commissioner of Patents to issue any Letters Patent of the United States to Assignee as the Assignee of said inventions and Letters Patent to be issued thereon for the sole use of Assignee, its successors, legal representatives and assigns.
