<sup>(1)</sup>The EC-classification of the Nacebel codes has changed on 1/1/2008. Both the Nacebel codification of 2003 and 2008 are available in Public Search. The 2003 codes were valid until 31/12/2007. On 1/1/2008, the new codification became valid. This was a mere administrative conversion : no activities of the entity or establishment unit have thus been changed.
