NOW THEREFORE, for good and valuable consideration, the receipt of which is acknowledged, Uber confirms it has assigned and transferred and, for the avoidance of doubt, hereby assigns and transfers to UATC all of its right, title and interest in and to the Transferred Patents including in and to any and all divisionals, continuations, continuations-in-part, substitutes, reexaminations, renewals, non-provisional applications, reissues, extensions, patents amended during post grant proceedings, and patents and patent applications which have or which may be filed therefrom, may claim priority to the Transferred Patents (or another patent application or patent claiming priority thereto), or any patent or similar rights that may be granted therefor, including any and all counterparts worldwide, including all right, title and interest in and to the right to claim priority to any of the Transferred Patents (or another patent application or patent claiming priority thereto), all income, royalties, damages and payments now or hereafter due or payable with respect to the Transferred Patents, and all causes of action (whether in law or equity) and the right to sue, counterclaim, and recover (any damages, profits and other relief) for the past, present and future infringement of the Transferred Patents. The Transferred Patents and all further applications filed therefrom and patents that issue on the Transferred Patents shall be held and enjoyed by UATC, its successors and assigns as fully and entirely as the same would have been held and enjoyed by UATC had this assignment not been made.

Uber agrees that if requested by UATC, Uber will perform any reasonable action which may be necessary to secure and to vest in UATC the full and entire right, title and interest in, to and under the Transferred Patents, including promptly communicating and providing any and all known and accessible facts, data or any other pertinent information thereof and promptly executing and delivering any and all papers, documents, forms, declarations, oaths, affidavits and other legal instruments.
