The Company shall not have any right by virtue of this Agreement or the relationship created hereby in or to such other venture or activity of the Managing Directors or the Member (or to the income or proceeds derived therefrom), and the pursuit thereof, even if competitive with the business of the Company, shall not be deemed wrongful or improper.

10. Standards of Conduct. Whenever the Board of Managers or any person to whom the Board delegates authority or responsibility pursuant to Section 8, (each, an "Authorized Delegate") acts on behalf of the Company, the Board and the Authorized Delegate, shall, in the performance of the Board's or such Authorized Delegate's duties, be fully protected (including, without limitation, to the fullest extent provided under Section 18-407 of the Act) in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Company by any of the Company's officers or employees or Authorized Delegates, or by any other person as to matters the Board or such Authorized Delegate reasonably believes are within such other person's professional or expert competence. 11. Limited Liability; Indemnification.

(b) Indemnification. The Company shall indemnify and hold harmless the Member, the Managing Directors and each Authorized Delegate to the fullest extent permitted by law from and against any and all damages, liabilities, losses, costs and expenses (including attorneys' fees and disbursements), judgments, fines, settlements, and other amounts (collectively, "Costs") arising from any and all claims, demands, actions, suits, or proceedings (civil, criminal, administrative, or investigative) (collectively, "Actions") in which the Member, the Managing Directors or an Authorized Delegate may be involved, or threatened to be involved as a party or otherwise, relating to the performance

or nonperformance of any act concerning the activities of the Company; provided, however, that such indemnification (i) shall be for alleged acts or omissions made by the Managing Directors in their capacity as Managing Directors or an Authorized Delegate in its official capacity and (ii) shall include indemnification for negligence, but exclude indemnification (A) for acts or omissions involving gross negligence, actual fraud or willful misconduct or (B) with respect to any transaction from which the indemnitee derived an improper personal benefit. The right to indemnification conferred in this Section 11(b) shall include the right to be paid by the Company the expenses (including attorneys' fees) incurred in defending any action in advance of its final disposition (an "advancement of expenses") and shall not be exclusive of any other right that the Member, the Managing Directors or an Authorized Delegate may have or hereafter may acquire under any statute, agreement, action of the Member, the Board of Directors or Authorized Delegate or otherwise. The right to indemnification and to the advancement of expenses conferred in this Section 11(b) shall be a contract right, and such right shall continue as to an indemnitee who has ceased to be a Member, Managing Director or an Authorized Delegate and shall inure to the benefit of the indemnitee's heirs, executors and administrators. Notwithstanding the foregoing, any and all indemnification and advancement of expenses obligations of the Company shall be satisfied only from the assets of the Company, and the Member shall have no liability or responsibility therefore.

12. Term. The term of the Company shall be perpetual unless the Company is dissolved and terminated in accordance with Section 06.

13. Capital Contributions. The Member has contributed such cash, property or services to the Company as reflected on the books and records of the Company.

14. Tax Status; Income and Deductions.

(a) Tax Status. As long as the Company has only one member, it is the intention of the Company and the Member that the Company be treated as a disregarded entity for federal and all relevant state tax purposes and neither the Company nor the Member shall take any action or make any election which is inconsistent with such tax treatment. All provisions of this Agreement are to be construed so as to preserve the Company's tax status as a disregarded entity.

(b) Income and Deductions. All items of income, gain, loss, deduction and credit of the Company (including, without limitation, items not subject to federal or state income tax) shall be treated for federal and all relevant state income tax purposes as items of income, gain, loss, deduction and credit of the Member.

15. Distributions. Distributions shall be made to the Member at the times and in the amounts determined by the Board of Directors.

16. Dissolution; Liquidation.

(a) The Company shall dissolve, and its affairs shall be wound up upon the first to occur of the following: (i) the written consent of the Member or (ii) any other event or

circumstance giving rise to the dissolution of the Company under Section 18-801 of the Act, unless the Company's existence is continued pursuant to the Act.

(b) Upon dissolution of the Company, the Company shall immediately commence to wind up its affairs and the Member shall promptly liquidate the business of the Company. During the period of the winding up of the affairs of the Company, the rights and obligations of the Member under this Agreement shall continue.

(c) In the event of dissolution, the Company shall conduct only such activities as are necessary to wind up its affairs (including the sale of the assets of the Company in an orderly manner), and the assets of the Company shall be applied as follows: (i) first, to creditors, to the extent otherwise permitted by law, in satisfaction of liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof); and (ii) thereafter, to the Member.

(d) Upon the completion of the winding up of the Company, the Member shall file a Certificate of Cancellation in accordance with the Act.

17. Miscellaneous.

(a) Amendments. Amendments to this Agreement may be made only with the consent of the Member.

(b) Governing Law. This Agreement shall be governed by the laws of the State of Delaware.

(c) Severability. In the event that any provision of this Agreement shall be declared to be invalid, illegal or unenforceable, such provision shall survive to the extent it is not so declared, and the validity, legality and enforceability of the other provisions hereof shall not in any way be affected or impaired thereby, unless such action would substantially impair the benefits to any party of the remaining provisions of this Agreement.

Among these rights are the Patents and invention disclosures identified in Appendix A hereto and the inventions protected thereby throughout the world (the "Assigned Patents").

WHEREAS, Buyer has compensated Seller for the sale, assignment and transfer of the Assigned Patents under the provisions of the Contribution Agreement and no additional compensation shall be required under this Agreement,

WHEREAS, this Agreement is among the necessary or useful instruments pursuant to the Contribution Agreement;

WHEREAS, this Agreement is being entered into by the Parties as a condition and mutual inducement to the Closing; and

WHEREAS, the Parties wish to confirm the sale, assignment and transfer of the Assigned Patents and if and to the extent not already effected under the Contribution Agreement, effect the sale, assignment and transfer of all remaining rights on the Assigned Patents of Seller to Buyer, if any.

NOW, THEREFORE, in consideration of the mutual agreements, covenants and other premises set forth herein and in the Contribution Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and accepted, the Parties agree as follows:

1. **Assignment** Seller (Assignor) and Buyer (Assignee) confirm the sale, assignment and transfer of, and Seller does hereby sell, assign and transfer to Buyer (Assignee), and Buyer hereby accepts, the full and exclusive right, title and interest in and to the Patents and any improvements thereon, the attached application(s) and all corresponding and/or counterpart foreign patent applications, all divisional, continuation, continuation-in-part, reissue, reexamination, extension, substitution, registration, renewal, extension, supplementary protection certificates or the like, and any additional patent applications which claim priority to the attached application(s), and all letters patent or comparable rights issuing thereon in

Germany, the United States and in all foreign countries, and all applications for letters patent which may hereafter be filed for the attached application(s) and/or any improvements thereon in Germany, the United States and/or in any foreign country and all letters patent which may be granted on the attached invention(s) and/or any improvements thereon in Germany, the United States and/or in any foreign country, together with the right(s) to claim priority to the attached patent application(s) and/or any improvements thereon, and the Seller (Assignor) hereby authorizes and requests the German Patent and Trademark Office, the European Patent Office, the United States Commissioner of Patents and Trademarks and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all letters patent or comparable rights issuing on any application as aforesaid to Buyer (Assignee), or to its successors, assigns or legal representatives.

2. Registration, Change of Recordal; Declaration of Transfer. Seller hereby authorizes and requests, as applicable, the German Patent and Trademark Office, the European Patent Office, the Commissioner of Patents and Trademarks of the United States Patent and Trademark Office and the empowered officials of all other governments, and the diverse registrars, commissioners and other official authorities in the various affected jurisdictions to record Buyer as the owner of the Patents and to issue to Buyer, in lieu of Seller, in accordance with this instrument, all future certificates, notices and any other communications and documents bearing on the Patents. It is Buyer's responsibility to apply for a change of recordal in the registers. Seller shall not unreasonably withhold, or delay, signing of any document necessary to effect a change of recordal in ownership of the Patents in the intellectual property registers. If Seller does not approve of a document prepared by Buyer, Seller will cooperate with Buyer to create a document acceptable to both Parties.

3. Further Assurances. Seller and Buyer shall execute and deliver such instruments and take such other actions as may reasonably be required in order to carry out the intent of this Agreement and to evidence and effectuate the transactions contemplated herein. Buyer shall prepare and provide to Seller all assignments and other instruments of transfer reasonably required to transfer to Buyer the Assigned Patents. Seller shall take such steps and actions, and provide such cooperation and assistance to Buyer and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Patents to Buyer, or any assignee or successor thereto. If Buyer or its successor or assignee is unable, for any reason, to obtain a signature of Seller on a document necessary to perfect the transfer or assignment of the Assigned Patents, Seller hereby irrevocably appoints Buyer as its agent and attorney-in-fact, which appointment is coupled with an interest, to act for and on behalf of Seller to execute, verify, and file any such documents with the same legal force and effect as if executed by Seller.

4. General Provisions. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed thereto in the Contribution Agreement. This Agreement, Appendix A hereto and the Contribution Agreement constitute the sole and entire agreement of the Parties with respect to the subject matter contained herein and therein, and supersede all other prior representations, warranties, understandings and agreements, both written and oral, with respect to such subject matter. Notwithstanding any other provision of this Agreement to the contrary, in the event and to the extent that there shall be a conflict between the provisions of this Agreement and the provisions of the Contribution Agreement, the provisions of the Contribution Agreement shall control (unless this Agreement expressly provides otherwise). This Agreement shall not be amended, modified or supplemented except by an instrument in writing specifically designated as an amendment hereto and executed by each of the Parties. Neither any course of conduct or failure or delay of any Party in exercising or enforcing any right, remedy or power hereunder shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right, remedy or power hereunder, or any abandonment or

discontinuance of steps to enforce such right, remedy or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right, remedy or power. This Agreement shall be binding upon and inure solely to the benefit of each Party and its successors and permitted assigns.

5. **Governing Law; Jurisdiction and Venue.** This Agreement and all matters arising out of or relating to this Agreement or any of the transactions contemplated hereby, including all rights of the Parties (whether sounding in contract, tort, common or statutory law, equity or otherwise), shall be interpreted, construed and governed by and in accordance with the Contribution Agreement.

6. **Signatories; Counterparts.** This Agreement may be executed in at least twelve counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument. This Agreement shall be executed by a representative and/or multiple authorized signatories of the Buyer and Seller, respectively. The Parties shall provide for notarization of the signatures of each signatory. Immediately upon execution of the Agreement, the Parties shall provide each other with copies of the executed Agreement.
