Confirmatory Assignment

WHEREAS **David Rauch** (the "Assignor") may own rights in the specific patent application(s) listed below (the "Patent Applications");

State	Application No.	Application Date	Priority Date	Repr. Ref.
LU	LU501031	16 December 2021		004A0005LU

WHEREAS, in the event and to the extent the Assignor owned or owns any rights in the Patent Applications or any inventions or discoveries described therein, the Assignor has assigned and transferred (and hereby assigns and transfers) all of the Assignor's right, title and interest in the Patent Applications, and all inventions and discoveries described therein, to **CYTENA GmbH**, Zollhallenstraße 5, 79106 Freiburg, Germany (the "Assignee");

NOW THEREFORE the Assignor, having received (directly and/or indirectly) good and valuable consideration from Assignee, hereby confirms to all whom it may concern the assignment and transfer of all of the Assignor's right, title and interest in and to the Patent Applications and all inventions and discoveries described therein (the "Assigned Rights") and Assignee hereby confirms the assignment and transfer of the Assigned Rights.

Such Assigned Rights transferred to Assignee include but are not limited to the rights, in any and all countries or jurisdictions of the world:

(a) to all ownership and property interests in and to the Patent Applications and any and all inventions and discoveries described therein;

(b) to file, prosecute, maintain and defend the Patent Applications, with Assignee as registered applicant/owner thereof;

(c) to file, prosecute, maintain and defend any other applications for patent or other intellectual property protection in respect of the whole, any part or parts of any of the inventions and discoveries described in the Patent Applications, including divisional or continuation applications and utility models, anywhere in the world (the "Further Applications"), with Assignee as registered applicant/owner of any Further Applications;

(d) to claim priority to and from any of the Patent Applications and Further Applications under any national law or international treaty or convention;

(e) to all ownership and property interests in and to any and all patents or other intellectual property rights granted, issued and/or registered anywhere in the world in respect of any of the Patent Applications and Further Applications (the "Patents");

(f) to apply for extensions in respect of any of the Patent Applications, Further Applications and Patents under the US Drug Price Competition and Patent Term Restoration Act 1984, the European Supplementary Protection Certificate Regulation (Regulation (EC) No. 469/2009), equivalent legislation in any other jurisdiction and any legislation amending, replacing or implementing the foregoing (the "Extensions");

(G) to maintain and defend any of the Patent Applications, Further Applications, Patents and Extensions in any administrative or judicial proceeding, with Assignee as registered applicant/owner thereof, including in any interference proceeding, *inter partes* proceeding or post grant opposition, limitation or cancellation proceeding the subject of which is any of the Patent Applications, Further Applications, Patents and Extensions; and

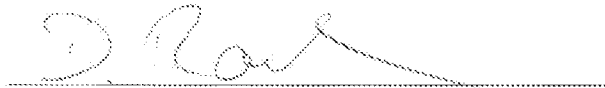

(h) to enforce any of the Patent Applications, Further Applications, Patents and Extensions, including the right to enforce for any and all pre-issuance infringements and past infringements, and to recover and take all such proceedings as may be necessary for the recovery of damages or otherwise in respect of all infringements thereof, whether committed before or after the Effective Date.

This Confirmatory Assignment is applicable for, but is not limited to, the following countries/jurisdictions: Germany, the United States of America, Australia, Canada, China, the region known as Taiwan, Japan, as well as any and all Contracting States of the Paris Convention, the PCT, the EPC (and all extension and validation states thereof) and/or the UPCA (if entered into force).

IN WITNESS WHEREOF, each of Assignor and Assignee hereby enter into this Confirmatory Assignment, as a deed, and make it effective as of **7 December 2021** (the "Effective Date"), regardless of the date(s) on which this agreement is actually signed.
