each entitled as above and listing the above-named persons as inventors, and any legal equivalent thereof in a foreign country, including the right to claim priority and in and to any Letters Patent to be obtained for said invention by the above application or any continuation, divisional, continuation-in-part, conversion under 35 U.S.C. 111(a), or substitute thereof, and any reissue, re-examination or extension of said Letters Patent and all rights under all International Conventions for the Protection of Industrial Property;

ASSIGNORS hereby covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into that would conflict with this assignment, and that any prior assignments that may have been executed by us in favor of any individual or prior entity from which ASSIGNEE acquired its intellectual property assets shall have the same effect as being an assignment to ASSIGNEE;

ASSIGNORS further covenant and agree that we will provide to ASSIGNEE, its successors, legal representatives and assigns, all pertinent facts and documents relating to said invention and said

Letters Patent and legal equivalents as may be known and accessible to ASSIGNORS and will testify in any legal proceeding, sign all lawful papers, instruments or affidavits, execute all utility, divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to assist ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries. An attorney of record is authorized by the execution of this assignment to insert into this assignment, and/or any transmittal documents required for recordation of said assignment, the filing date and serial number of said application, and any application claiming priority to said application, when officially known.

ASSIGNORS request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue any Letters Patent for the invention, and any reissue or extension thereof, to ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.
