do hereby sell or have sold, assign or have assigned, and transfer or have transferred unto **Teleste Oyj**, hereinafter called the Assignee, whose full post office address is Telestenkatu 1, 20660 Littoinen, Finland, and to the Assignee's successors, assigns, nominees or other legal representatives, my entire right, title, interest, property and benefit for Canada, the United States of America and all other countries worldwide, in and to our invention relating to

## AN ARRANGEMENT FOR CONTROLLING POWER CONSUMPTION

as fully set forth and described in an international patent application PCT/FI2020/050606 filed 21 September 2020,

together with our entire right, title, interest, property and benefit for Canada, the United States of America and all other countries worldwide, in and to the aforementioned application, any foreign applications corresponding thereto and any Letters Patent which may issue for the invention from such applications, including all divisions, continuations, continuations-in-part, re-examinations, reissues and extensions, and any rights of priority resulting from the filing of the above-identified application under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as they would have been by us had this sale, assignment and transfer not been made;

We hereby authorize any official whose duty it is to grant patents, to grant any Letters Patent for the invention to the Assignee, and to its successors, assigns, nominees or other legal representatives;

We hereby covenant and agree, for ourselves and for our heirs, executors and administrators, to do all such things and to execute and deliver without further consideration such further assurances, applications, instruments, assignments and other documents as may reasonably be required by the Assignee to obtain Letters Patent in

Canada, the United States of America and all other countries worldwide, for the invention, and vest or secure the same in the Assignee;
