## CONFIRMATORY ASSIGNMENT BY INVENTOR

**THIS CONFIRMATORY ASSIGNMENT**, made by Sarah M. Ahmadi-Erber; Timo Schippers; and Sarah Schmidt (hereinafter referred to as Assignors), who reside at or have a mailing address at c/o Hookipa Biotech GmbH, Helmut-Qualtinger-Gasse 2, 1030 Vienna, Austria;

**WHEREAS**, Assignor has invented certain new and useful improvements in HBV VACCINES AND METHODS TREATING HBV (hereinafter "said inventions"), for which Gilead Sciences, Inc. (hereinafter referred to as Gilead) have filed an application for patent both under the Patent Cooperation Treaty (PCT) and in the United States of America concurrently herewith, both identifying as priority application U.S. Provisional Appl. No. 62/908,494, filed on September 30, 2019. Where this Assignment is not filed concurrently with the application, the following identifying information may be added after execution:

U.S. Serial No.: 17/034,706 Filing Date: September 28, 2020

PCT Serial No.: US2020/053060 Filing Date: September 28, 2020

**WHEREAS**, Assignors are currently, and was at the time of said inventions, employed by Hookipa Biotech GmbH, a company organized under the laws of Austria and having an address at Helmut-Qualtinger-Gasse 2, 1030 Vienna, Austria (hereinafter referred to as Assignee), and, pursuant to Assignors' employment agreement with Assignee and as required by Austrian law, Assignors have timely notified Assignee of said inventions, and Assignee has immediately and therefore timely claimed its entire right, title and interest in and to said inventions so that such entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon has been assigned from Assignors to Assignee.

**WHEREAS**, Assignee is desirous of confirming the assignment of Assignors' the entire right, title and interest in and to said inventions and said Application for

Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

**NOW, THEREFORE**, to all whom it may concern, be it known that for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the said inventions and applications for Letters Patent, and in and to any and all direct and indirect provisionals, national stage applications, divisions, continuations, continuations-in-part, substitutions, and reissues of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

**AND** for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owner of the entire right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

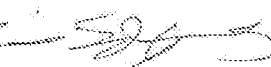

**AND** for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without

charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise; that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors acknowledges an obligation of assignment of this invention to Assignee at the time the invention was made.

I hereby grant Assignee(s), the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark office for recordation of this document.
