ASSIGNMENT

THIS ASSIGNMENT, by Pablo Beato, residing at Trelleborggade 15, 3.7 2150 Nordhavn, Denmark
(hereinafter referred to as "the Assignor"), respectively, witnesseth:

As the below named inventor, I hereby declare that this Assignment is directed to:

- (1) ☒ U.S. application number or PCT international application number
PCT/EP2021/076373, filed on 24-09-2021, entitled "Methanol to jet fuel (MTJ)
process"; or
- (2) ☐ the attached application entitled ____.

THIS ASSIGNMENT, by the undersigned inventor (hereinafter referred to as "the Assignor"),
respectively, witnesseth:

WHEREAS, the Assignor has invented certain new and useful improvements set forth in the
application for Letters Patent of the United States identified above;

WHEREAS, TOPSOE A/S, a corporation duly organized under and pursuant to the laws of
DENMARK and having a principal place of business at Haldor Topsøes Allé 1, DK-2800 Kgs. Lyngby,
Denmark (hereinafter referred to as "the Assignee"), is desirous of acquiring the entire right, title, and
interest in and to said inventions, the right to file applications on said inventions and the entire right, title
and interest in and to any applications, including provisional applications for Letters Patent of the United
States or other countries claiming priority to said application, and in and to any Letters Patent or Patents,
United States or foreign, to be obtained therefor and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby
acknowledged, the Assignor has sold, assigned, transferred, and set over, and by these presents does sell,
assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assigns the
entire right, title, and interest in and to the above-mentioned inventions, the right to file applications on said
inventions and the entire right, title and interest in and to any applications for Letters Patent of the United
States or other countries claiming priority to said applications, and any and all Letters Patent or Patents of
the United States of America and all foreign countries that may be granted therefor and thereon, and in and
to any and all applications claiming priority to said applications, divisions, continuations, and continuations-
in-part of said applications, and reissues and extensions of said Letters Patent or Patents, and all rights
under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed
by the Assignee, for its own use and behoof and the use and behoof of its successors, legal representatives,
and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted as fully
and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment
not been made;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the
Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of
these presents, the Assignor is the sole and lawful owner of the entire right, title, and interest in and to the
inventions set forth in said applications and said applications, including provisional applications, above-
mentioned, and that the same are unencumbered, and that the Assignor has good and full right and lawful
authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns that the Assignor will, whenever counsel of the Assignee, or the counsel of its successors, legal representatives, and assigns, shall advise that any proceeding in connection with said inventions or said applications for Letters Patent or Patents, or any proceeding in connection with Letters Patent or Patents for said inventions in any country, including interference proceedings, is lawful and desirable, or that any application claiming priority to said application, division, continuation, or continuation-in-part of any applications for Letters Patent or Patents, or any reissue or extension of any Letters Patent or Patents to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement, and defense of Letters Patent or Patents for said inventions, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;

AND the Assignor hereby requests the Commissioner of Patents to issue any and all said Letters Patent of the United States to the Assignee as the Assignee of said inventions, the Letters Patent to be issued for the sole use and behoof of the Assignee, its successors, legal representatives, and assigns.
