ASSIGNMENT AND DECLARATION

WHEREAS, We, **Adrian ROCHA**, a citizen of the United States, residing at 5657 Glenfinnan Avenue, Azusa, California 91702, and **Robert De'ARMOND, Jr.**, a citizen of the United States, residing at 34016 Center Stone Circle, Temecula, California 92592, have invented certain new and useful improvements in a **LIGHTING FIXTURE** which is the subject of United States Patent Application Number 29/868,689, filed on December 12, 2022; and

WHEREAS, **WANGS ALLIANCE CORPORATION**, having an office at 44 Harbor Park Drive, Port Washington, New York 11050, is desirous of obtaining the entire right, title and interest in, to and under said improvements and said application; and

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, We, the above identified inventors, do hereby assign, transfer and set over to **WANGS ALLIANCE CORPORATION**, its successors, legal representatives and assigns, the entire right title and interest in, to and under said improvements, the above-identified application, all divisions, renewals and continuations thereof, and all Letters Patent which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to **WANGS ALLIANCE CORPORATION**, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith;

AND WE WHEREBY further covenant and agree that we will communicate to **WANGS ALLIANCE CORPORATION**, its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid **WANGS ALLIANCE CORPORATION**, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries;

AND WE HEREBY grant Heslin Rothenberg Farley & Mesiti P.C. the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document;

AND WE HEREBY, as the above named inventors, declares that the above-identified application was made or authorized to be made by us;

AND WE HEREBY, as the above named inventors, declare that we believe that we are the original inventors of a claimed invention in the above-identified application;

AND WE HEREBY state that we have reviewed and understand the contents of the above-identified specification, including the claims;

AND WE HEREBY acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to us to be material to patentability as defined in Title 37, Code of Federal Regulations, Section 1.56;

AND WE HEREBY declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that any willful false statements and the like so made in this declaration are punishable by fine or imprisonment of not more than five (5) years, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
