ASSIGNMENT OF PATENT RIGHTS

WHEREAS, Kevin V. Keigley (hereinafter referred to as "Assignor") has made a number of new and useful inventions or discoveries (hereinafter collectively referred to as "the Inventions") for which the patent applications set forth in Exhibit A hereto have been filed and for which one or more other patent applications may in the future be filed;

WHEREAS, ABI Attachments, Inc. (hereinafter referred to as "Assignee") a legal entity organized under the laws of Indiana, desires to acquire the entire right, title, and interest in, to, and under the Inventions and any and all United States, foreign and international patent applications and patents which claim, disclose and/or describe the Inventions; and

NOW, THEREFORE, for good, valuable, and sufficient consideration to the Assignor, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

A. Assignment of Patent Rights

Assignor hereby assigns and transfers to Assignee, its successors and assigns, the entire right, title, and interest in, to and under (i) the Inventions, (ii) any and all United States, foreign and/or international patent applications which claim, disclose, or describe subject matter of the Inventions including, without limitation, the applications set forth in Exhibit A hereto, (iii) any and all applications claiming priority to or the benefit of the applications set forth in Exhibit A hereto including any non-provisionals, continuations, continuations-in-part, divisionals, foreign counterparts, reexaminations, reissues, extensions and applications claiming the benefit of or priority to any of the foregoing, (iv) any and all rights to claim priority to any of the foregoing, and (v) any and all rights to bring an action under, receive and collect damages for infringement of any of the foregoing, receive injunctive relief for infringement of any of the foregoing (hereinafter collectively referred to as "the Assigned Patent Rights").

Assignor acknowledges and agrees that the Assigned Patent Rights include any and all future applications not filed at the time of execution of this agreement which disclose, describe, and/or claim subject matter of the Inventions, or which claim priority to or the benefit of an application or patent which discloses, describes and/or claims subject matter of the Inventions. With respect to such future applications, Assignor hereby authorizes Assignee, its attorneys, or its agents to append information identifying such applications in an exhibit to this document at the discretion of Assignee, its counsel, or its agents.

B. Agreement to Execute Additional Documents and Provide Further Assistance

Assignor agrees to execute any and all other documents necessary or desirable to document, memorialize, or perfect Assignee's interest in the Assigned Patent Rights and to execute any and all other documents and to provide any further assistance necessary or desirable for the procurement of patent rights on the above-referenced Inventions in the United States and all foreign countries.

C. Binding, Complete and Enforceable Agreement

Assignor acknowledges that (i) this is an enforceable agreement; (ii) this agreement

embodies the entire and only understanding between Assignor and Assignee with respect to the subject matter of this agreement; (iii) no oral explanation or oral information by either party hereto shall alter the meaning or interpretation of this agreement; and (iv) if any provision of this agreement is held to be unlawful or unenforceable, such provision shall be limited or eliminated to the minimum extent necessary so that the remainder of this agreement will continue in full force and effect and be enforceable.

D. Execution

This agreement may be executed in counterparts or duplicate originals, both of which shall be regarded as one and the same instrument, and which shall be the official and governing version in the interpretation of this agreement. This agreement may be executed by facsimile signatures or other electronic means and such signatures shall be deemed binding as if they were original signatures.

WHEREFORE, the Assignor has signed and executed this Assignment of Patent Rights as of the date set forth below.

Kevin V. Keigley
