**ASSIGNMENT**

**WHEREAS**, Thomas C. Holcombe, David C. Boyer and Richard D. Stone (hereinafter designated as the Inventors) have invented certain new and useful improvements in *Ultra Purified Pitch Process* which an application for Letters Patent of the United States of America was filed by the Inventors on 07/29/2021 as App. 17/389,071 and

**WHEREAS** Advanced Carbon Products, LLC, of 3651 State Route 773, Hitchins, KY 41146, its heirs, successors, legal representatives, and assigns (hereinafter designated as the Assignee) is desirous of acquiring the entire right, title, and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States of America and in any foreign countries.

**NOW, THEREFORE**, for good and valuable consideration, the receipt of which is hereby acknowledged, the Inventors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to said invention in the United States of America, its territories, dependencies and possessions and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territories, dependencies and possessions, and in any and all foreign countries; and to any and all divisions, reissues, continuations, conversions and extensions thereof for the full term or terms for which the same may be granted.

The Inventors agree to execute all papers necessary in connection with this application and any continuing, divisional, conversion or reissue applications thereof in the United States of America and any foreign countries, and, also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Inventors hereby authorize and request the Patent and Trademark Officials in the United States of America and in any foreign countries to issue any and all Letters Patent resulting from said application or any continuing, divisional, conversion or reissue applications thereof to Assignee, as Assignee of the entire interest, and hereby covenant that they have the full right to convey the entire interest herein assigned; and that they have not executed, and will not execute, any agreement in conflict herewith.

**IN WITNESS WHEREOF**, executed by the Inventors on the dates noted.
