CONFIRMATORY ASSIGNMENT

Whereas we, the undersigned Assignors, executed a written assignment in favor of Levant Power Corporation, with respect to International Application No. **PCT/US2015/023951**, bearing Attorney Docket No. **L0710.70014WO00**, filed on April 1, 2015, and United States Patent Application No. **15/300,500**, bearing Attorney Docket No. **L0710.70014US01**, filed on September 29, 2016 (hereinafter referred to as "the Applications");

Whereas, on October 20, 2016 Levant Power Corporation changed its name to ClearMotion, Inc.;

Whereas, we executed an assignment for the Applications after Levant Power Corporation changed its name to ClearMotion, Inc.;

Therefore, we confirm that for good and valuable consideration, the receipt of which is hereby acknowledged, as of September 29, 2016 we, the undersigned Assignors, hereby:

1. Sold, assigned and transferred to **Levant Power Corporation**, a Delaware Corporation which had a place of business at **475 Wildwood Avenue, Woburn, Massachusetts 01801** on March 1, 2016, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, our entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and designs which are disclosed in the International Application filed on **April 1, 2015** under International Application No. **PCT/US2015/023951**, bearing Attorney Docket No. **L0710.70014WO00**, and entitled **ACTIVE SAFETY SUSPENSION SYSTEM**, and in the patent application for United States Letters Patent filed in the United States Patent and Trademark Office on **September 29, 2016** under No. **15/300,500**, bearing Attorney Docket No. **L0710.70014US01**, and entitled **ACTIVE SAFETY SUSPENSION SYSTEM**, and in and to the applications and all corresponding provisional, non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent, utility models, industrial designs or similar intellectual property rights which have been or shall be filed in the United States, internationally, and in any foreign country, including but not limited to China, Japan and Korea, on any of the inventions and designs; and in and to all original and reissued patents which have been or shall be issued in the United States or any other jurisdiction on the inventions and designs, including the right to apply for patent rights in each foreign country and all rights to priority, including the right to claim priority for China, Japan and Korea; as well as the right to sue in its own name and recover damages for past infringement of any United States Letters Patent and foreign patent, including a reasonable royalty relating to provisional rights under 35 U.S.C. § 154(d) that have attached to any published United States patent application, on the inventions and designs;

2. To the extent that we have not already transferred any of the rights enumerated in Paragraph 1 to the Assignee, we hereby sell, assign, and transfer all such rights to the Assignee;

3. Agreed that the Assignee may apply for and receive Letters Patent and utility model and industrial design registrations for the inventions and designs in its own name; and when requested, without charge to but at the expense of the Assignee, agreed to carry out in good

Attorney Docket No. **L0710.70014WO00** and **L0710.70014US01**

faith the intent and purpose of this Assignment, by executing all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other patent, utility model and industrial design applications on any and all the inventions and designs, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to the Assignee all facts known to us relating to the inventions and designs and the history thereof, and generally by doing everything reasonably possible which the Assignee shall consider desirable for aiding in securing and maintaining proper protection for the inventions and designs and for vesting title to the inventions and designs and all applications for patents and all patents on the inventions and designs, in the Assignee;

4. Requested the Director of the United States Patent and Trademark Office and foreign patent authorities to issue the Letters Patent or other intellectual property rights, including foreign patents, to the Assignee;

5. Authorized and requested Wolf, Greenfield & Sacks, P.C. to supply any missing application identification information or correct any errors in the application identification information provided above, whether discovered prior to or after recordation;

6. Covenanted with the Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us; and

7. Appointed Assignee, through its designee, our attorney-in-fact to execute, in our name and on our behalf, any and all documents required to effectuate this Assignment, specifically including, but not limited to, those documents specified above and any necessary corrective assignments.

This instrument is executed under seal and signed under the pains and penalties of perjury under the laws of the United States of America.
