ASSIGNMENT AGREEMENT

This Patent Assignment Agreement, dated as of August 22, 2022 (the “Effective Date”) (this “Agreement”), by and between DigiPrep Dental, Inc., a Delaware corporation (“Assignor”) and WINVERTS, INC., a California corporation (the “Assignee”).

WHEREAS, Assignor has agreed to assign, transfer, convey and deliver to the Assignee all of Assignor’s right, title and interest in and to the patents and patent applications set forth in Appendix A hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, and renewals thereof (the “Transferred Patents”), and the Assignee has agreed to acquire and accept all of the Assignor’s right, title and interest in and to the Transferred Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and the Assignee hereby agree as follows:

1. Assignment of Transferred Patents. Effective as of the date hereof, Assignor hereby assigns, transfers, conveys and delivers to the Assignee, and the Assignee hereby acquires and accepts from Assignor, free and clear of all encumbrances, and solely to the extent transferable, all of Assignor’s right, title and interest as of the Effective Date in and to the Transferred Patents owned by Assignor, including all rights therein provided by international conventions and treaties, all rights of priority and renewals, and all rights to sue and recover damages for past, present and future infringement or other violation thereof or conflict therewith.

2. Due Authorization. Assignor hereby authorizes and requests the Commissioner for Patents of the United States and any other official of any applicable Governmental Authority to record the Assignee as the owner of the Transferred Patents, and as assignee of the entire right, title and interest in and to the same, and to issue any and all registrations from any and all applications for registration included in the Transferred Patents in and to the name of the Assignee.

3. Governing Law. This Agreement and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).

4. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.
