ASSIGNMENT AGREEMENT

WHEREAS, WE, **Somesh JHA**, 8487 Ednaly Lane, San Diego, CA 92127, and **Piyush RAJ**, 3 Fusionopolis Way, #13-20 Symbiosis, Singapore 138633 (collectively, “Assignors”) have invented certain new and useful improvements which are described and claimed in U.S. Patent Application No. 16/776,080, entitled

CONTAINER LASHING GEAR MONITORING SYSTEM

filed January 29, 2020 and which claims priority of US Provisional Patent Application Serial No.: 62/798,331, entitled “CONTAINER LASHING GEAR MONITORING SYSTEM,” filed January 29, 2019.

WHEREAS, **Alpha Ori Technologies Pte. Ltd.** (Assignee) a Singapore corporation having its principal place of business at 3 Fusionopolis Way, #13-20 Symbiosis, Singapore 138633, is desirous of acquiring the entire interest of the Assignors in and to said Invention, including the above-referenced patent application and all patents to be obtained therefrom.

NOW, THEREFORE, for and in consideration of valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, Assignors have sold, assigned, and set over, and by these presents do hereby sell, assign and set over unto the Assignee, and Assignee’s legal representatives, successors, Assignors’ entire right, title and interest, for the whole world, in and to said Invention and said application, as well as any subsequent application which claims priority based upon the filing date of any of said applications identified and the patents, both domestic and foreign, that may or shall result therefrom including the right to claim in respect of any subsequent United States and foreign patent applications and patents, the priority date of any of said applications under any United States statute and international convention or treaty; and Assignors do hereby authorize and request the issuance of said patents, domestic and foreign, conformably to the terms of this Agreement.

UPON SAID CONSIDERATION, Assignors do hereby covenant and agree with said Assignee that Assignors will not execute any writing or do any act whatsoever conflicting with these presents, and that will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and so such additional acts as Assignee may deem necessary or desirable to perfect the Assignee’s enjoyment of this grant, and render all necessary assistance in making application for and obtaining provisional, original, continuation, continuation-in-part, divisional, reissued, re-examined or extended patent of the United States or of any and all foreign countries on said Invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, including but not limited to, giving testimony in any proceedings or transactions involving such applications or patents, and executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the assigns and legal representatives of all parties hereto.

IN WITNESS WHEREOF, the undersigned declares under penalty of perjury under the laws of the United States of America that Assignors have signed this document as their own free acts and that all of the foregoing is true and correct.
