ASSIGNMENT

WHEREAS, **Patterson Programming, Inc.** (hereinafter "Assignor") is the owner of U.S. Pat. No. 10,475,092 B1, entitled "System and Method for Online Time-Price Based Marketplace and Unique Manipulations of Listings," issued on November 12, 2019 ("Patent") and the invention described therein.

WHEREAS, **Automated Consulting, LLC**, having an address at 6650 Rivers Ave., Ste. 100, Charleston, SC 29406 (hereinafter "Assignee"), is desirous of acquiring Assignor's right, title and interest in and to said Patent.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and sets over to said Assignee the entire right, title and interest in and for the U.S. and all other countries in and to said Patent, all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents (or equivalents thereof) applied for or granted therefor or therefrom in the U.S. and all other countries, together with all priority rights and rights to any damages for past, present and future infringement relating to any of the aforesaid Patent and invention, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents resulting therefrom to said Assignee herein as assignee of the Assignor's entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue, reexamination and other applications for patent on said invention and all assignments thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by said Assignee.
