ASSIGNMENT BY INVENTOR

WHEREAS, I, Kay Liu, a citizen of the United States of America, residing at 1686 Rose Avenue, San Marino, California 91108, (hereinafter the "Assignor"), is the sole inventor and owner of a certain new and useful invention(s) (hereinafter "Invention") and improvement(s) entitled "Producing a Topical Solution Composition", as set forth in a U.S. Application for Letters of Patent of the United States, already filed on August 13, 2007, as U.S. Application No. 11/837,735 ("Utility Application"); and

WHEREAS, Shantel Medical Supply Corp., a corporation, organized under and pursuant to the laws of the State of California, having its principal place of business at 5600 Peck Road, Arcadia, CA 91006 (hereinafter "the Assignee"), is desirous of acquiring the entire right, title and interest in and to said Invention and said Provisional Application, and in and to any United States or corresponding foreign application claiming or applied for the Invention and any Letters Patent to be obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over unto Assignee, its successors, legal representatives and assigns, my entire right, title and interest in and to

(a) said Invention and improvements entitled "Producing a Topical Solution Composition" and worldwide rights therein;

(b) any United States Utility or corresponding foreign patent application claiming or applied for the Invention, including all divisions, continuations, continuations-in-part and substitutions thereof; and

(c) all United States and foreign patents which shall issue on said Invention, including all reissues, renewals, divisions and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file applications for Letters Patent on said Invention in any and all foreign countries, the same to be held and enjoyed by said ASSIGNEE, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by us, had this Assignment and sale not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to the said Invention and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full-right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letter Patent for said Invention, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Invention, or said Utility Application, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said Invention in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said Invention and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

THE AMATONG LAW FIRM, PLLC

Alberto Q. Amatong, Jr. U.S.P.T.O. Registration No.: 41,580

AND Assignor acknowledges an obligation of assignment of this Invention to Assignee at the time the Invention was made.
