PATENT ASSIGNMENT

This entire Assignment is directed to the following applications:

U.S. Application No.	Filing Date	Title
16/988,578	August 7, 2020	INTERACTIVE TOUCHLESS INFORMATION EXCHANGE SYSTEM

Whereas, Interactive Touchscreen Solutions, Inc. (hereinafter referred to as "ASSIGNEE") a corporation incorporated under the laws of Maryland, having a place of business at 1655 Crofton Blvd., Suit 103, Crofton MD 21114, is desirous of acquiring the entire right, title, and interest in and to the application(s) listed above ("the Applications") and also the subject matter described in the Application(s) ("the Inventions") and in any and to any Letters Patent that may be granted therefore in the United States and its territorial possessions and in any and all foreign countries.

Now, therefore, in consideration of the sum of one dollar, and for other good and valuable consideration, I, Christopher Kelly, Natalie Bobila, John Gonzales ("ASSIGNORS"), by these presents do sell, assign, and transfer unto said ASSIGNEE, the full and exclusive right to the Inventions worldwide, and the entire right, title and interest in the Applications (and resultant patent(s)) in the United States and its territorial possessions and in any and all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant international Treaties and Arrangements from the Application). This Assignment also includes any and all divisional application(s) thereof, continuation application(s) thereof, reissues thereof, substitutions thereof, and renewals thereof, which includes applications filed after this assignment has been executed.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE, as the assignee of my entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE, its (his) successor and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Further, I agree that I will communicate to said ASSIGNEE or its (his) representatives any facts known to me respective said invention, and testify in any legal processing, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and generally do everything possible to aid said ASSIGNEE, its (his) successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.
