WHEREAS, pursuant to the Agreement, Assignor also assisted Assignee in various cookware projects that have not yet been brought to market and/or patent protection has not yet been sought (collectively, the “Unfiled Cookware Projects”); and

WHEREAS, the parties desire to enter into this ASSIGNMENT to more formally document the assignment of the Intellectual Property created by the Assignor under the Agreement, including the Patent Filings and Unfiled Cookware Projects.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged:

1. Assignor represents and warrants that Assignor, its affiliates, employees, officers, and/or contractors: (i) has/have full rights to make the assignment provided under this ASSIGNMENT and has not executed and will not execute any agreement or do anything in conflict herewith; (ii) conceived of certain subject matter set forth in the Patent Filings and Unfiled Cookware Projects; (iii) has/have the right to convey rights in certain of the subject matter set forth in Patent Filings and Unfiled Cookware Projects; and (iv) has/have not conveyed rights in the subject matter set forth in Patent Filings and Unfiled Cookware Projects to any other entity.
2. Assignor formally assigns to Assignee, to the extent not already assigned, its entire right, title and interest in and to the Intellectual Property, Patent Filings, Unfiled Cookware Projects, and any inventions and improvements thereto, throughout the world and to any and all patents, petty patents

and utility model patents which may be granted therefore, and all continuations, continuations-in-part, divisions, reissues, extensions, and renewals thereof, and any non-provisionals based on provisionals thereof (collectively, the "Letters Patents") and all related rights, including all rights and claims for the infringement thereof, the same to be held and enjoyed by Assignee for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns, or other legal representatives, to the end of the term or terms for which any Letters Patents are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Assignor if the assignment had not been made, together with all claims for damages by reason of past infringement of the Letters Patents, with the right to sue for and collect the same for Assignee's own use and for the use of its successors, assigns, or other legal representatives.
