IP ASSIGNMENT AGREEMENT

THIS IP ASSIGNMENT AGREEMENT (the "Assignment") is made as of April 7, 2023 (the "Effective Date") by and between Joerns, LLC, a California limited liability company ("Assignor"), and Joerns Healthcare, LLC a Delaware limited liability company (the "Assignee" and collectively with the Assignor, the "Parties").

WHEREAS, Assignor desires to assign, and Assignee desires to acquire, all right, title, and interest in and to the Intellectual Property (as defined below);

NOW, THEREFORE, in consideration of the mutual covenants set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1.1. Assignment of Intellectual Property. Effective as of the Effective Date, and for payment of One Dollar (\$1.00) by Assignee to Assignor, Assignor hereby assigns, transfers, and conveys to Assignee, and Assignee acquires from Assignor, all right, title, and interest in and to the intellectual property identified on Schedule 1 attached hereto, together with all goodwill associated therewith, any pending applications and registrations therefor, patents, reissues, or extensions that may issue, including from foreign applications, divisions, continuations in whole or part, or substitute applications filed claiming the benefit of the patent applications therein, all common law trademark and trade name rights therein, the right to all past, current, and future royalties, fees, income, payments and other proceeds now or hereafter due or payable derived from the foregoing, and all rights to sue for any past, present, and future infringement or violation thereof and collect damages therefor (collectively, the "Intellectual Property").

1.2. Recordal of Transfer. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the applicable officials of any other agencies or authorities, governmental or otherwise, to issue or transfer all of the Intellectual Property to Assignee or otherwise as Assignee may direct.

1.3. Entire Agreement. This Assignment constitutes the sole and entire agreement of the parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter.

1.4. Successors and Assigns. The terms and provisions of this Assignment shall be binding upon, and inure to the benefit of, Assignor and Assignee, and each of their respective successors and assigns.

1.5. Severability. If any term or provision of this Assignment is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Assignment or invalidate or render unenforceable such term or provision in any other jurisdiction.

1.6. Counterparts. This Assignment may be executed and delivered in counterparts, each of which so executed and delivered shall be deemed to be an original and all of which shall constitute one and the same instrument.

IN WITNESS WHEREOF, each of the Parties have caused this Assignment to be signed as of the Effective Date.
