ASSIGNMENT

WHEREAS, **Robert C. Lenney**, having a residence in 1555 Ridgemoor Dr., Meadow Vista, CA 95722, USA (hereinafter referred to as the Assignor), is the owner of the entire right, title and interest in and to the invention identified in **Appendix A hereto**; and

WHEREAS, **GutterGlove, Inc.** (hereinafter referred to as the "Assignee"), having its principal place of business at 8860 Industrial Avenue, Suite 140, Roseville, CA, 95678 USA, is desirous of acquiring the entire right, title and interest in and to said invention and said non-provisional patent application for Letters Patent of the United States, and in and to any Letters Patent(s), United States or foreign, to be obtained therefore and thereon:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, said Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the invention identified in Appendix A, which includes all applications for Letters Patent, and any and all Letters Patent(s) in the United States and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations and continuations-in-part of said applications, or reissues or extensions of said Letters Patent(s), and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said Assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent(s) may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignors, had this sale and assignment not been made.

AND for the same consideration, said Assignor hereby covenants and agrees to and with said Assignee its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said Assignor is the sole and lawful owner of the entire right, title and interest in and to the invention identified in Appendix A, and applications for Letters Patent(s), and that the same are unencumbered and that said Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said Assignor hereby covenants and agrees to and with said Assignee, its successors, legal representatives and assigns, that said Assignor will, whenever counsel of said Assignee, or the counsel of its successor, legal representatives and assigns, shall advise that any proceeding in connection with said invention, or said applications for Letters Patent(s), or any proceeding in connection with Letters Patent(s) for said invention in any country, including interference proceedings, is lawful and desirable, or that any divisions, continuations or continuations-in-part of any application for Letters Patent(s) or any reissue or extension of any Letters Patent(s), to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the

procurement, maintenance, enforcement and defense of Letters Patent(s) for said invention, without charge to said Assignee, its successors, legal representatives and assigns, but at the cost and expense of said Assignee, its successors, legal representatives and assigns.

AND said Assignor hereby request the Commissioner of Patents to issue said Letters Patent(s) of the United States to said Assignee as the Assignee of said invention and the Letters Patent(s) to be issued thereon for the sole use of said Assignee, its successors, legal representatives and assigns.

AND said Assignors authorize and request that any attorney associated with U.S. Patent and Trademark Office (USPTO) Customer No. 11485 may (directly or through his/her designee) delete, insert, or alter any information related to the above-identified patent application or applications or any of the foregoing, after execution of this Assignment.
