ASSIGNMENT

WHEREAS, We,

John PACCIONE, a citizen of the United States, having a mailing address of 19 Highland Court, Troy, New York 12182; and

David DZIEWULSKI, a citizen of the United States, having a mailing address of 40 Euclid Avenue, Troy, New York 12180

have invented certain new and useful improvements in

FLUID TREATMENT APPARATUS, SYSTEMS, AND METHODS

for which is the subject of International Patent Application No. **PCT/US2021/066341**, filed on **November 22, 2021**, which claims priority to U.S. Provisional Application No. 63/117,000, filed on November 23, 2020; and

WHEREAS, **Health Research, Inc.**, having offices at Riverview Center, 150 Broadway, Suite 280, Menands, New York 12204, is desirous of obtaining the entire right, title and interest in, to and under said improvements and said application;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which We hereby acknowledge, We, said **INVENTORS**, do hereby assign, transfer and set over to said **Health Research, Inc.**, its successors, legal representatives and assigns, the entire right title and interest in, to and under said improvements, of above-identified application – including the right to claim priority to said application – all divisions, renewals and continuations thereof, and all Letters Patent which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and We hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to **Health Research, Inc.**, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

AND WE HEREBY covenant that We have full right to convey the entire interest herein assigned, and that We have not executed, and will not execute, any agreement in conflict herewith;

AND WE HEREBY further covenant and agree that We will communicate to **Health Research, Inc.**, its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid **Health Research, Inc.**, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.

AND WE HEREBY grant Heslin Rothenberg Farley & Mesiti, P.C. the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

This assignment agreement may be executed in counterparts.
