ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the individuals

Jean-François BRIOIS

(hereinafter "ASSIGNORS")

do hereby sell, assign, and transfer, and hereby set over unto

NESTLE WATERS MANAGEMENT & TECHNOLOGY S.A.S.

(hereinafter "ASSIGNEE"),

a corporation duly organized and existing under the laws of France and having its principal office and place of business at 2, boulevard Garibaldi, 92130 Issy-les-Moulineaux, France, and its successors, assigns and legal representatives,

the full and exclusive right, title and interest to an invention entitled

*Process for producing a bio-based polyethylene terephthalate (PET) polymer,
entirely from bio-based materials*

for which a patent application was filed on **01 September** in the European Patent Office as EP Patent Application No **16186906.0**.

ASSIGNORS do hereby sell, assign, and transfer, and hereby set over unto ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right, title and interest to said invention in the United States and all foreign countries, including, without limitation, said invention as described in the aforesaid application, to be held and enjoyed by said ASSIGNEE, its successors, assigns and legal representatives, as fully and entirely as the same would have been held and enjoyed by said ASSIGNORS had this assignment not been made, including, without limitation, all rights to the aforesaid application and to any United States Letters Patent therefor, when issued together with all improvements thereon and betterments thereof, all related applications including, but not limited to, divisions, continuations, continuations-in-part, reissues and reexaminations thereof and substitutions of or for said application, and all foreign

rights including the right to make application for Letters Patent for said invention in any and all foreign countries and the right to claim priority as to the filing date under the International Convention on the basis for the aforesaid application for United States Letters Patent; and ASSIGNORS hereby authorize and request the Commissioner of Patents to issue all Letters Patent issuing therefrom to ASSIGNEE, for its interest as ASSIGNEE, its successors, assigns and legal representatives.

ASSIGNORS hereby agree to execute any papers, provide any information and testify in any interference or litigation at the request of ASSIGNEE, its successors, assigns and legal representatives, when deemed essential to ASSIGNEE's, its successors', assigns' and legal representatives' full enjoyment, protection, enforcement and title in and to such invention and rights hereby transferred.

ASSIGNORS furthermore agree upon request of said ASSIGNEE, its successors, assigns and legal representatives, and without further remuneration, to execute any and all papers desired by said ASSIGNEE, its successors, assigns and legal representatives, for the filing and granting of foreign applications and the perfecting of title thereto in said ASSIGNEE, its successors, assigns and legal representatives.

This Assignment also confirms that by operation of Law, the full and exclusive right, title and interest to the above referenced invention was previously assigned to ASSIGNEE by virtue of the employment contract between the ASSIGNORS as inventors of the above referenced invention and the ASSIGNEE.
