ASSIGNMENT

WHEREAS, we,

1. **Bryan EDWARDS**, a citizen of the United Kingdom, with a correspondence address in care of Crescendo Biologics Limited, Meditrina Building, Babraham Research Campus, Cambridge Cambridgeshire CB22 3AT, United Kingdom;
2. **Ulla LASHMAR**, a citizen of the United Kingdom, with a correspondence address in care of Crescendo Biologics Limited, Meditrina Building, Babraham Research Campus, Cambridge Cambridgeshire CB22 3AT, United Kingdom;
3. **Brian MCGUINNESS**, a citizen of the United Kingdom, with a correspondence address in care of Crescendo Biologics Limited, Meditrina Building, Babraham Research Campus, Cambridge Cambridgeshire CB22 3AT, United Kingdom;
4. **Mike ROMANOS**, a citizen of the United Kingdom, with a correspondence address in care of Crescendo Biologics Limited, Meditrina Building, Babraham Research Campus, Cambridge Cambridgeshire CB22 3AT, United Kingdom;
5. **Thomas SANDAL**, a citizen of the United Kingdom, with a correspondence address in care of Crescendo Biologics Limited, Meditrina Building, Babraham Research Campus, Cambridge Cambridgeshire CB22 3AT, United Kingdom; and
6. **Yumin TENG**, a citizen of the United Kingdom, with a correspondence address in care of Crescendo Biologics Limited, Meditrina Building, Babraham Research Campus, Cambridge Cambridgeshire CB22 3AT, United Kingdom

(hereinafter referred to as ASSIGNORS), have made a discovery or invention entitled:

"IL-17A BINDING PROTEINS," for which application for a Letters Patent in the United States was filed on July 6, 2017 and assigned U.S. Serial No. 15/541,889, as a '371 application of PCT/GB2016/050070, filed January 12, 2016.

AND WHEREAS, **CRESCENDO BIOLOGICS LIMITED**, having an office for the transaction of business at Meditrina Building, Babraham Research Campus, Cambridge Cambridgeshire CB22 3AT, United Kingdom (hereinafter referred to as ASSIGNEE) is desirous of obtaining the entire right, title and interest in, to and under the invention and in, to and under the Letters Patent or similar legal protection to be obtained therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN

Be it known that for valuable consideration by ASSIGNEE to ASSIGNORS, the receipt of which is hereby acknowledged, ASSIGNORS hereby sell, assign and transfer jointly to ASSIGNEE, their successors, legal representatives and assigns, the full and exclusive right,

title and interest to the discovery or invention, and any and all inventions described in the above-referenced application, in the United States and its territorial possessions and in all foreign countries and to all Letters Patents or similar legal protection in the United States and its territorial possessions and in any and all foreign countries to be obtained for the invention by the application or any continuation, division, renewal, substitute, reissue or reexamination thereof, or any legal equivalent thereof in a foreign country, for the full term or terms for which the same may be granted, and the right to claim priority from the above-referenced application under the Patent Laws of the United States, the International Convention, or any other international agreement or domestic laws of any and all foreign countries.

AND WE HEREBY authorize and request the Director of the United States Patent and Trademark Office, and any Official of any country or countries foreign to the United States of America whose duty it is to issue a Letters Patent on applications as aforesaid, to issue any such Letters Patent for the discovery or invention, and any and all inventions described in the above-referenced application, to the ASSIGNEE, as assignee of the entire right, title and interest in, to and under the same, for the sole use and behalf of the ASSIGNEE, their successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that we have full right to convey the entire right, title and interest herein sold, assigned, transferred and set over;

AND WE HEREBY further covenant and agree that the ASSIGNEE, their successors, legal representatives, or assigns, may apply for foreign Letters Patent on the discovery or invention, and any and all inventions described in the above-referenced application, and claim the benefits of the International Convention, and that we will, at any time, when called upon to do so by the ASSIGNEE, their successors, legal representatives, or assigns, communicate to the ASSIGNEE, their successors, legal representatives, or assigns, as the case may be, any facts known to us with respect to the discovery or invention, and any and all inventions described in the above-referenced application, and execute and deliver any and all lawful papers that may be necessary or desirable to perfect the title to the discovery or invention, and any and all inventions described in the above-referenced application, the applications and the Letters Patent in the ASSIGNEE, their successors, legal representatives and assigns, and that if reissues of the Letters Patent, or disclaimers relating thereto, or divisions, continuations, or refilings of the applications, or any thereof, shall hereafter be desired by the ASSIGNEE, their successors, legal representatives, or assigns, we will, at any time, when called up to do so by the ASSIGNEE, their successors, legal representatives, or assigns sign all lawful papers, make all rightful oaths, execute and deliver all such disclaimers and all divisional, continuation and reissue applications so desired, and do all lawful acts requisite for the application for such reissues and the procuring thereof and for the filing of such disclaimers and such applications, and generally do everything possible to aid the ASSIGNEE, their successors, legal representatives and assigns, to obtain and enforce proper patent protection for the invention or discovery, and any and all inventions described in the above-referenced application, in all countries, and without further compensation, but at the expense of the ASSIGNEE, their successors, legal representatives and assigns.

IN TESTIMONY WHEREOF, we sign below with the date opposite our respective signatures.

AND WHEREAS, **CRESCENDO BIOLOGICS LIMITED**, having an office for the transaction of business at Meditrina Building, Babraham Research Campus, Cambridge Cambridgeshire CB22 3AT, United Kingdom (hereinafter referred to as ASSIGNEE) is desirous of obtaining the entire right, title and interest in, to and under the invention and in, to and under the Letters Patent or similar legal protection to be obtained therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN

Be it known that for valuable consideration by ASSIGNEE to ASSIGNORS, the receipt of which is hereby acknowledged, ASSIGNORS hereby sell, assign and transfer jointly to ASSIGNEE, their successors, legal representatives and assigns, the full and exclusive right,

title and interest to the discovery or invention, and any and all inventions described in the above-referenced application, in the United States and its territorial possessions and in all foreign countries and to all Letters Patents or similar legal protection in the United States and its territorial possessions and in any and all foreign countries to be obtained for the invention by the application or any continuation, division, renewal, substitute, reissue or reexamination thereof, or any legal equivalent thereof in a foreign country, for the full term or terms for which the same may be granted, and the right to claim priority from the above-referenced application under the Patent Laws of the United States, the International Convention, or any other international agreement or domestic laws of any and all foreign countries.

AND WE HEREBY authorize and request the Director of the United States Patent and Trademark Office, and any Official of any country or countries foreign to the United States of America whose duty it is to issue a Letters Patent on applications as aforesaid, to issue any such Letters Patent for the discovery or invention, and any and all inventions described in the above-referenced application, to the ASSIGNEE, as assignee of the entire right, title and interest in, to and under the same, for the sole use and behalf of the ASSIGNEE, their successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that we have full right to convey the entire right, title and interest herein sold, assigned, transferred and set over;

AND WE HEREBY further covenant and agree that the ASSIGNEE, their successors, legal representatives, or assigns, may apply for foreign Letters Patent on the discovery or invention, and any and all inventions described in the above-referenced application, and claim the benefits of the International Convention, and that we will, at any time, when called upon to do so by the ASSIGNEE, their successors, legal representatives, or assigns, communicate to the ASSIGNEE, their successors, legal representatives, or assigns, as the case may be, any facts known to us with respect to the discovery or invention, and any and all inventions described in the above-referenced application, and execute and deliver any and all lawful papers that may be necessary or desirable to perfect the title to the discovery or invention, and any and all inventions described in the above-referenced application, the applications and the Letters Patent in the ASSIGNEE, their successors, legal representatives and assigns, and that if reissues of the Letters Patent, or disclaimers relating thereto, or divisions, continuations, or refilings of the applications, or any thereof, shall hereafter be desired by the ASSIGNEE, their successors, legal representatives, or assigns, we will, at any time, when called up to do so by the ASSIGNEE, their successors, legal representatives, or assigns sign all lawful papers, make all rightful oaths, execute and deliver all such disclaimers and all divisional, continuation and reissue applications so desired, and do all lawful acts requisite for the application for such reissues and the procuring thereof and for the filing of such disclaimers and such applications, and generally do everything possible to aid the ASSIGNEE, their successors, legal representatives and assigns, to obtain and enforce proper patent protection for the invention or discovery, and any and all inventions described in the above-referenced application, in all countries, and without further compensation, but at the expense of the ASSIGNEE, their successors, legal representatives and assigns.
