**TERMINATION AND RELEASE OF SECURITY INTEREST
IN PATENTS**

This **TERMINATION AND RELEASE OF SECURITY INTEREST IN PATENTS**, dated as of April 25, 2023 (“Release”), is made by **FIDUS INVESTMENT CORPORATION**, a Maryland corporation, as Agent for the Lenders party to the Credit Agreement (defined below) (herein, “Grantee”) in favor of **WEBB BUISNESS PROMOTIONS, LLC**, a Minnesota limited liability company (f/k/a **WEBB BUSINESS PROMOTIONS, INCORPORATED**, a Minnesota corporation) (“Grantor”):

WHEREAS, Grantor, one or more of its affiliates, Grantee and the lenders identified therein are parties to a certain Senior Subordinated Credit Agreement dated March 23, 2016 (as amended, amended and restated, restated or supplemented or otherwise modified from time to time, the “Credit Agreement”), providing for extensions of credit to be made to Grantor (or one or more affiliates thereof) by Grantee and Lenders; and

WHEREAS, pursuant to the terms of the certain Guarantee and Collateral Agreement, dated as of March 23, 2016, among Grantor, one or more of its affiliates, and Grantee (as amended, amended and restated, restated or supplemented or otherwise modified from time to time, the “Collateral Agreement”), Grantor executed and delivered a certain Patent Security Agreement, dated October 16, 2020 (the “Security Agreement”), which was recorded at the United States Patent and Trademark Office (“USPTO”) (“Notice”), November 10, 2020 at Reel 054320 and Frame 0356, whereby Grantor granted to Grantee a security interest in any and all of Grantor’s right, title, and interest in and to certain Patents, including the Patents listed on Schedule 1 attached hereto.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantee agrees as follows:

SECTION 1. Defined Terms. All capitalized terms used herein but not otherwise defined herein have the meanings given to them in the Security Agreement.

SECTION 2. Termination and Release. Grantee, without representation, warranty, or recourse, hereby irrevocably terminates the Notice and terminates, cancels, discharges, and releases the continuing security interest in Grantor’s right, title, and interest in and to the Patents, and the use thereof, together with all proceeds and products thereof, granted pursuant to the Security Agreement and the Notice. Grantee hereby authorizes the Grantor, and any of their designees, to file this Release with the USPTO and/or any other applicable governmental office or agency to evidence the release and termination of the security interest in the Patents contemplated hereby. Grantee agrees to execute and deliver to the Grantor all other instruments and other documents as the Grantor may reasonably request to release the security interest in the Patents which had been granted under the Notice, in each case, at the sole expense of the Grantor.

[Signature page follows.]

IN WITNESS WHEREOF, Grantee has caused this Release to be duly executed as of the date first set forth above.
