## PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement (“Agreement”), entered into as of the date of the last signature set forth below, is made by and between MOTOOL INC., an Arizona corporation, with its principal place of business at 918 N. Leroux Street, Flagstaff, Arizona 86001, USA (“Assignor”), on the one hand, and MOTOOL INC., an Oregon corporation, with its principal place of business at 1505 N. Terry Street, Unit 7, Portland, Oregon 97217, USA (“Assignee”), on the other hand. Assignor and Assignee are sometimes collectively referred to herein as the “Parties.”

WHEREAS Assignor owns the patent applications and patent identified in Schedule 1 (collectively, the “Patent”); and

WHEREAS Assignor desires to transfer all right, title and interest in to such Patent to Assignee, and Assignee desires to receive the rights in the identified Patent, in accordance with the terms set forth herein.

NOW THEREFORE, for one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, assigns and delivers to Assignee, and Assignee hereby purchases, acquires and accepts from Assignor, all of Assignor's right, title, and interest in and to and under the Patent, together with:

(a) the patent and patent applications set forth in Schedule 1 hereto and all issuances, provisionals, non-provisionals, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, and renewals thereof;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing;

(d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages;

(e) any and all corresponding rights that, now or hereafter, may be secured throughout the world; and

(f) all copies and tangible embodiments of any of the foregoing.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Patents in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register Assignee as the owner of the Patent. Following the date hereof, upon Assignee's reasonable request, and at Assignee's sole cost and expense, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Patent to Assignee, or any assignee or successor thereto.

3. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile, email, or in electronic (i.e., "pdf") format shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," and words of similar import in this Agreement shall be deemed to include electronic or digital signatures or electronic records, each of which shall be of the same effect, validity, and enforceability as manually executed signatures or a paper-based recordkeeping system, as the case may be, to the extent and as provided for under applicable law, including the Electronic Signatures in Global and National Commerce Act of 2000 (15 U.S.C. §§ 7001 to 7031) or the Uniform Electronic Transactions Act (UETA).

4. Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the Parties hereto and their respective successors and assigns.

5. Governing Law. This Agreement and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Oregon, without giving effect to any choice or conflict of law provision or rule (whether of the State of Oregon or any other jurisdiction).

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Assignor has duly executed and delivered this Agreement as of the date first written above.
