## ASSIGNMENT OF INVENTION

U.S. Application serial number: **11133829**  
Application filing date: **2005-05-20**  
Title: **COLLABORATIVE INCIDENT ALERT SYSTEM FOR MOBILE DEVICES**  
Inventors: **Hector Franco, Alexander Franco**

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

The undersigned inventor hereby assigns to **Alexander Franco**, an individual having a principal place of residence at **21534 WILD TIMBER CT, BROADLANDS VA 20148**, and such individual's successors and assigns (the "Assignee"), his entire right, title and interest, in any invention or improvement that is disclosed in the above-identified patent application and any patent application to which it claims priority, and any and all other applications, whether in the United States or another country or international or regional patent office, which may be filed or may have been filed, either solely or jointly with others, which claim priority to this application or otherwise are directed to said invention or improvements, and in any and all utility patents, utility models, design patents, design registrations, inventors' certificates and like rights of exclusion, whether in the United States or other countries or international or regional patent offices, which may be or have been granted on any of said applications, including any right to claim priority based on the filing date of any of said applications under any law of any country, or under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes.

The undersigned hereby authorizes the Assignee to apply in any country or international or regional patent office, in the name of the undersigned or the Assignee, for utility patents, utility models, design patents, design registrations, inventors' certificates, and like rights of exclusion for said inventions and improvements.
