**ASSIGNMENT**

WHEREAS, the undersigned has made certain inventions which are described in applications for Letters Patent including, based on, or related to any or all of the following:

- US Provisional Patent Application Serial No. 62/945,524, filed December 9, 2019;
- US Provisional Patent Application Serial No. 62/955,488, filed December 31, 2019;
- US Patent Application Serial No. 17/116,827, filed December 9, 2020, or
- US Patent Application Serial No. 17/116,712, filed December 9, 2020, and

WHEREAS, **NOUS IMAGING, INC.** (hereafter referred to as "said Company"), corporation, having a place of business at **393 N Euclid Ave, Suite 310, St. Louis, Missouri 63108**, is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries; and under all international agreements.

NOW, THEREFORE, for and in consideration of three thousand dollars (\$3,000.00), and other good and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged by the undersigned, I hereby sell, assign, and transfer unto said Company, its successors and assigns, the entire right, title, and interest throughout the United States of America and the territories thereof, for all foreign countries and under all international agreements in and to said inventions, the aforesaid applications, and all divisional, continuing, reissue, reexamination, continuation-in-part, and foreign or international applications hereafter filed in the United States, in any other country, or under any international agreement, and all Letters Patents granted upon said applications by the United States, by any other country or under any international agreement, and do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company.

I further grant to said Company, its successors, and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries of between any other countries.

I hereby warrant that I have the full right to make the conveyance herein, and I hereby covenant that I, my heirs, legal representatives, and assigns will, when requested, communicate to said Company, its representatives, successors, and assigns all facts known respecting said inventions; execute all divisional, continuing, reissue, reexamination, and foreign or international applications, together with individual assignments therefor; make all rightful oaths; sign all lawful papers; testify in any legal proceeding; and generally do everything possible to aid said Company, its successors, and assigns in the obtaining or enforcing of Letters Patent.

IN TESTIMONY WHEREOF, I have hereunto executed this assignment on the date indicated below.
