## ASSIGNMENT AND AGREEMENT

WHEREAS we, Garrett D. Lauf of 125 Briarwood Drive, Elgin, Illinois 60120, and Michael S. Butler of 6N343 Mission Hills Drive, St. Charles, Illinois 60175, all of the United States of America (and hereinafter referred to as "Inventors"), do hereby execute this Assignment and Agreement.

NOW THEREFORE, for value received, Inventors do hereby sell, assign and transfer to Life Spine, Inc., a corporation of the State of Delaware, having an office at 13951 South Quality Drive, Huntley, Illinois 60142, United States, (hereinafter referred to as "Life Spine") and its successors, assigns and/or legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to "Spine Plate Implant With Cam Lock Bone Screw Retention", attorney docket number LSP119P, and described in United States Provisional Patent Application serial number 62/290,507 filed February 2, 2016 and any and all corresponding non-provisional patent applications claiming the benefit of the aforesaid United States Provisional Patent Application, and all the rights and privileges in any Letters Patents resulting from any and all said patent application; and we Inventors also concurrently hereby sell, assign and transfer to Life Spine the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patents, that may be granted in said countries foreign to the United States for said invention.

Inventors authorize Life Spine to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

Inventors hereby consent that a copy of this Assignment and Agreement shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Life Spine to apply for patent or other form of protection for said inventions and to claim the aforesaid benefits of the right of priority.

Inventors request that any and all patents for said inventions be issued to Life Spine in the United States and in all countries foreign to the United States or to such nominees as Life Spine may designate.

Inventors agree that, when requested, we shall, without charge to Life Spine, but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
