ASSIGNMENT

As one of the below named inventors, I hereby declare that:  
This assignment is directed to the following applications:

- 1) United States provisional patent application No. 63/420,581, filed on October 29, 2022;
- 2) International application No. PCT/US2023/011370, filed on January 23, 2023; and
- 3) United States application No.18/143,039, filed May 3, 2023 and currently pending.

WHEREAS, the undersigned inventor(s) (hereinafter "Assignor"), has/have made an invention disclosed in the above-identified patent applications and further identified by the Docket Reference Numbers provided in the header of this document, and

WHEREAS, Multiple Cutter LLC (hereinafter "Assignee"), a company organized and existing under and by virtue of the laws of the state of Arizona having an address of P.O. Box 533, Clarkdale AZ 86324 is desirous of acquiring the entire right, title and interest in and to the aforesaid invention, application and all Letters Patent of the United States or any foreign country, including continuations, continuations-in-part, reissues, reexaminations, extensions, substitutes, and divisions which may be granted therefor;

NOW THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I, the said Assignor, by these presents do sell, assign and transfer unto Assignee, its successors, legal representatives and assigns, the full and exclusive right in and to the said inventions as described in the said applications, and in and to any Letters Patent of the United States or any foreign country, including continuations, continuations-in-part, reissues, reexaminations, extensions, substitutes, and divisions which may be granted therefor and all rights to claim priority on the basis of said application; and I further grant to Assignee the sole right to sue and collect damages for past infringement;

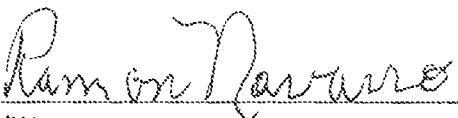

AND I HEREBY authorize and request the Commissioner of Patents and Trademarks or any other proper officer or agency of any country to issue all said Letters Patent to said Assignee;

AND I HEREBY warrant and covenant that I have the full right to convey the entire interest herein assigned and that I have not executed and will not execute any instrument or assignment in conflict herewith;

AND I HEREBY agree to communicate to said Assignee or its representatives any facts known to me respecting said inventions, to execute all divisional, continuation, reissue, reexamination, extension, substitute, and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to said invention, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors, legal representatives or assigns, and to testify in any judicial or administrative proceeding and generally do everything possible to aid the said Assignee to obtain and enforce said Letters Patent in the United States or any foreign country when requested so to do by said Assignee.
