WHEREAS, Kaitlin Konopacz, Heather Sirianni, Kristin Sexton, and Lawrence Ponsi (hereinafter "Assignor") has invented certain new and useful inventions and improvements (hereinafter "Invention") described in the (i) United States patent application entitled "Bed Exercise Systems and Methods" for which Assignor is making or has made application for LETTERS PATENT OF THE UNITED STATES, which application has been duly executed by Assignor and filed on May 28, 2021 as Application No. 17/334,306, and (ii) the international patent application entitled "Bed Exercise Systems and Methods" filed on May 28, 2021 as Application No. PCT/US21/34960;

WHEREAS, Sage Products, LLC, a corporation organized and existing under the laws of the State of Illinois, USA, having a place of business at 3909 Three Oaks Road, Cary, IL 60013, USA (hereinafter called "the Assignee"), is desirous of acquiring the entire right, title and interest in and to the Invention within the United States of America and its territorial possessions and all foreign countries, and in and to any United States or foreign LETTERS PATENT that may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has assigned, sold and transferred, and does assign, sell and transfer to the Assignee, its successors and assigns, the entire right, title and interest in and to the Invention within the United States of America and its territorial possessions and all foreign countries, and in and to any LETTERS PATENT of the United States and foreign countries, including utility models, inventor's certificates and like government grants that may be granted for any and all portions thereof, and in and to the patent application identified above and applications for patent filed for the Invention in all foreign countries and all provisional, divisional, reissue, continuation, continuation-in-part applications and extensions of any of the applications for patent or LETTERS PATENT identified herein, including all applications claiming the priority of said applications for patent or LETTERS PATENT identified herein, and the right to apply for LETTERS PATENT in foreign countries with full benefit of such priorities as may now or hereafter be granted to Assignor by local laws or by treaty, including any international convention, for the protection of industrial property, together with the right to extend the protection of the United States LETTERS PATENT to the various territorial possessions now owned or which may be hereafter acquired by the United States of America.
