## ASSIGNMENT

In consideration of the payment of one (\$1.00) dollar, and for other good and valuable consideration, the receipt of which is hereby acknowledged, Trevor Theriot ("Assignor") hereby assigns to ManaMed, LLC ("Assignee") his entire right, title, and interest in and to an invention entitled **MUSCLE STIMULATOR** (the "Invention") included in U.S. Design Patent No. D834,719 issued November 27, 2018 and in any and all patents, reissue patents, certificates of inventorship, design registrations, utility models, and the like, that may be granted in the U.S. or in any foreign country with respect to the Invention and improvements thereto; in any and all applications, including provisionals, non-provisionals, continuations, continuations-in-part, divisions, PCT applications, PCT national stage entry applications, corresponding foreign patent applications that may be filed with respect to the Invention, or improvements thereto, and any and all patents resulting therefrom, including U.S. Design Patent No. D834,719; the right to claim priority to U.S. Design Patent No. D834,719; and the rights to be granted one or more patents in any country in the world.

Assignor represents and warrants that he has not transferred, licensed, and/or assigned any interest in the Invention to anyone other than Assignee, and that he has not entered into any contract, assignment, or license conveying any right granted to Assignee hereunder, or that would otherwise conflict with this Assignment.

Assignor will, without additional charge to Assignee but at Assignee's expense, cooperate with and assist Assignee such that Assignee may realize and fully enjoy all the rights assigned hereunder, including the preparation and execution of all papers needed by Assignee, and providing

such information and assistance as may reasonably be required by Assignee in any administrative or legal proceeding to obtain or protect such rights.

This Assignment and each of its terms shall be binding on the Assignor, and his representatives, heirs and assigns, and shall inure to the benefit of Assignee, its successors, and assigns.
