WHEREAS, **Identigen Ltd**, a corporation organized under the laws of Ireland, having an office at Block 2, Blackrock Business Park, Carysfort Avenue, Blackrock, Co., Dublin, A94 H2X4, Ireland, and its successors, assigns and legal representatives (hereinafter **ASSIGNEE**), is desirous of obtaining all of **ASSIGNOR'S** rights, title and interest in, to and under any and all patents that may be granted for or upon said invention(s) anywhere in the world;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, **ASSIGNOR** does each hereby sell, assign and transfer or confirm the grant and assignment to said **ASSIGNEE** its entire right, title and interest in all countries of the world in and to the invention(s) described in said application for Patents, in and to the right to file patent applications in the name of **ASSIGNEE** or its designee(s), at its election, on the aforesaid invention in all countries of the world, together with all rights of priority in the aforesaid countries deriving from the above-identified application for Patents under the International Convention for the Protection of Industrial Property, under the Inter-American Convention relating to Inventions, Patents, Designs and Industrial Models and under any other international arrangement relating to patents or intellectual property, in and to any and all Letters Patent that are granted from the aforesaid application for Patents, in and to any applications claiming priority benefits to a provisional patent application or other applications filed on said invention, and in and to any continuations, divisions, reissues, renewals and extensions thereof of any of said Letters Patent, the same to be held and enjoyed by said **ASSIGNEE**, to the full ends of the terms for which all Letters Patent therefore may be granted, as fully and entirely as the same would have been held and enjoyed by me/us if this assignment and sale had not been made.

AND **ASSIGNOR** HEREBY covenants and agrees that it will at any time, upon the request and at the expense of **ASSIGNEE**, without further compensation or charge to said **ASSIGNEE**, execute and deliver any and all documents that may be necessary or desirable to perfect the title to the foregoing invention(s), patent applications, and Letters Patent and continuations, divisions, reissues, renewals and extensions thereof in the name of **ASSIGNEE**, including the execution and procurement of any and all further documents evidencing this assignment and sale as may be necessary or desirable for recording the same in the Patent Office of any country concerned, and will make all rightful oaths and declarations and do all lawful acts requisite for procuring the same or for aiding therein.

ASSIGNOR HEREBY authorizes **ASSIGNEE** to insert in this instrument the Application Number(s) and the filing date(s) of said application for Patents when officially notified thereof.

This document may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such components shall together constitute but one and the same document.

IN WITNESS WHEREOF, ASSIGNOR has by its respective authorized signing officers executed this Assignment on the day and year set forth below.
