Nunc Pro Tunc Assignment

Application No: 17/553,770

Whereas, John Evans' Sons, Inc., located in Lansdale, PA, ("Assignor") is current holder of US Patent Application No. 17/553,770 entitled, "Window Counterbalance Brake Shoe and Spring Assemblies with Improved Brake Strength" filed on December 16, 2021, (the "Patent Application");

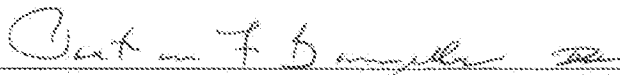

Whereas Lesjöfors US Inc. of 250 Research Drive, Pittsburgh, PA 18640, ("Assignee") is desirous of acquiring all rights in and to the Patent Application and the invention disclosed therein;

Whereas Assignor, for good and valuable consideration, receipt of which is hereby acknowledged, did assign and transfer all right, title and interest in the Patent Application, and in and to all embodiments of the inventions disclosed therein, and in and to any and all patents (and any reissues or extensions), inventor certificates, and other forms of protection thereon granted in the United States, foreign countries, or under any international convention, agreement, protocol, or treaty, to Assignee per an Agreement executed on July 8, 2022 ("Assignment");

Whereas Assignor has confirmed said Assignment;

Whereas at all times since execution of said Assignment, Assignor and Assignee have mutually understood that all rights, title and interest in the Patent Application to be assigned to Assignee.

Therefore, to confirm and ratify the Assignor and Assignee prior understanding, Assignor does hereby assign unto Assignee all rights, title and interest in the Patent Application *nunc pro tunc* effective as of July 8, 2022, to be held and enjoyed by said Assignee for its own use and benefit and for the use and benefit of its successors and assigns as fully and as entirely as the same would have been enjoyed by Assignor had the Assignment not been made.

Paetrus F. Bammler, III, Co-President, on behalf of John Evans' Sons, Inc.
