3. Representations by Assignors. I(we) represent to the Assignee, its successors and assigns, that I(we) have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I(we), my(our) executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries.
